RE: Pain Management Services Closure

Dear Valued Patient:

We would like to notify you that Matthews-Vu is discontinuing Pain Management services effective December 15, 2023.

You are strongly encouraged to find alternate pain management services in the community. A list of community resources has been posted on our website under Resources – News & Updates. We've also included the list below.

Our staff welcome the opportunity to assist you with a transition of care. Please reach out to the Pain Management Clinic if you have questions or need a referral to a community provider for continued care. 719-632-4455

To transfer your pain management records you can find a copy of a medical records request on our website under Resources – Patient Forms.

Thank you for your continued trust in Matthews-Vu for all your primary care medical needs.
