You deserve function plus comfort!
The best way to choose the right mask for you!

What is a “mask clinic”?

- Try on a variety of masks until you find the best fit for YOU
- Work 1:1 with a Sleep Technologist, supervised by Dr. Rakesh Gupta
- As simple as an office appointment
- We'll send the prescription & give you a copy (masks are not sold on site)

Who is eligible?

- Any patient already on CPAP or planning to start
- Some insurances require a referral to Dr. Rakesh Gupta
- No commitment or requirement to switch your Sleep Doctor
- Call TODAY for more information or to book your appointment
