

What is Prima CARE doing to keep you safe?

- Screening for symptoms -- *every person at every door*
- Testing for coronavirus
- Telemedicine services when appropriate
- Vaccinating our staff and encouraging vaccination for all
- Social distancing, wearing masks, washing hands frequently, wiping down elevators, chairs, and equipment
- Masks, face shield, gloves and gowns
- “Smart scheduling” for more efficiency and less waiting
- Expert outpatient & inpatient management of COVID-19

Prima CARE is committed to safety for you, your family, our staff and our community.
