

Office has Relocated Downstairs to Suite 223

To Dr. Okocha Patients:

This letter is to inform you that we have relocated to Suite 223, directly downstairs, **effective Wednesday, March 25, 2020**. Patients of Dr. Okocha will now go directly to Suite 223.

Dr. Boltansky and Dr. Okocha will operate and see patients from this Allergy & Asthma Center office. The move was simple and seamless, resulting in zero disruption to your medical care.

Thank you for your attention to this matter and if you have any questions, please feel free to inquire with our medical staff.

Sincerely,
Dr. Prasad Nataraj
