

L-Theanine 100 mg

A Natural Amino Acid for Mental Tension

DESCRIPTION

L-Theanine supplies 100 mg of pure L-Theanine in each vegetarian capsule.

FUNCTIONS

According to statistics released by the National Institutes of Mental Health (NIMH), over 19 million Americans suffer from an anxiety disorder. L-Theanine is a unique amino acid found in green tea. Green tea has traditionally been used for centuries to help promote relaxation. In recent times, L-Theanine has been studied for its use in causing relaxation without drowsiness. One way to record relaxation analytically is by measuring a weak electric pulse on the surface of the brain known as brain waves. Brain waves are categorized into one of four groups: alpha, beta, gamma or theta. Alpha waves are associated with a state of relaxation without drowsiness. In one study, 200 mg of theanine generated alpha waves in the occipital and parietal regions of the brain. No adverse side effects were reported in the study. Other studies have indicated that the intensity of alpha waves generated is dose dependent to the amount of theanine administered, and that theanine can reach the brain 30 minutes after oral administration. In addition to relaxation, research on L-theanine suggests that it can have significant benefits for cardiovascular, immune and neurological health.

INDICATIONS

L-Theanine may be a useful dietary supplement for individuals wishing to support healthy mental functioning.

SIDE EFFECTS

No adverse effects have been reported.

FORMULA (WW #10226)

1 Vegetarian Capsule Contains:

L-Theanine*** 100 mg

Other Ingredients: Cellulose, water (vegetarian capsules), cellulose, magnesium stearate and silica.

***From SunTheanine®, a 100% pure, patented source of L-Theanine manufactured in Japan by Taiyo International. SunTheanine has been extensively evaluated in many scientific studies and shown to promote relaxation and deep, restful sleep without causing drowsiness or other unwanted side effects.

This product contains NO sugar, salt, dairy, yeast, wheat, gluten, soy, corn, preservatives, artificial colors or flavors.

SUGGESTED USE

As a dietary supplement, adults take one (1) vegetarian capsule, one (1) to three (3) times daily, or as directed by a healthcare professional.

STORAGE

Store in a cool, dry place, away from direct light. Keep out of reach of children.
