*Specializing in You*

5/4/26

Dear Patients and Friends,

After more than forty years in orthopedic medicine, the time has come for me to announce my retirement. This decision comes with deep reflection and even deeper gratitude for the trust and relationships built over these many years.

It has been an honor and a privilege to take care of you and your families at Barrington Orthopedic Specialists; I have thoroughly enjoyed working with you in our journeys to help restore movement, reduce pain, and improve function. I have always believed that healing is a shared partnership between patients and physician; and I am thankful for the confidence you have placed in me and our team.

As I step away from daily practice, I do so knowing that our clinic continues to be in outstanding hands. My colleagues and staff at Barrington Orthopedic Specialist share the same dedication to orthopedic excellence and compassionate care that have always guided our work. They will ensure that your ongoing treatment and needs are met with the same professionalism you have come to expect.

Thank you, sincerely, for allowing me to be part of your care and your lives. I leave with immense pride, gratitude, and optimism for the future of the practice and the patients who continue to inspire it.

With warmest appreciation,

Dr. Ciro Cirrincione  
Orthopedic Surgeon
