GENERAL FACT SHEET

(Updated August 13, 2025)

- MISSION:** To provide exceptional health care to people facing access barriers through clinical programs and education.
- VISION:** Peak Vista is focused on enhancing the health of people and the community-at-large through a professional, caring staff who are motivated, enthusiastic, respectful, energetic, and committed to strategic partnerships.
- ORIGIN:** Peak Vista Community Health Centers has proudly served Colorado communities since 1971 when a few local community advocates alongside a handful of volunteer doctors and nurses not only identified a need to health care services to those who could not otherwise afford it, they took action. Within two years, the teams saw nearly 7,000 patients.
- Through the generous support of the El Pomar Foundation and the philanthropic community, Peak Vista has continued to grow and expand services for over 50 years. What started as a clinic open two nights a week has become a pillar in the community providing high-quality medical, dental, psychiatric and behavioral health care. Our history is a story of community support, strong partnerships, and dedicated staff.
- NETWORK:** Peak Vista has an integrated health care model with over 350 medical, dental and behavioral health providers and clinical support staff to provide health care to patients with nearly 90% at or below 200% of the Federal Poverty Level. Peak Vista offers additional special programs like First Visitor, Well-Child Waiting and Care Coordinators that increase patient access to quality health care.
- SERVICE AREA:** Serving patients in Colorado Springs, Divide, Fountain, Limon and Strasburg.
- PATIENTS:** As of January 2023, Peak Vista Community Health Centers serves over 74,000 patients within our local community.
