

"Celebrating 40 Years of Service to El Paso and Teller Counties"

Peak Vista

Community Health Centers

2010 ANNUAL REPORT www.peakvista.org

"Providing Exceptional Healthcare for People Facing Access Barriers"

Peak Vista Community Health Centers is a non profit, whose mission is to provide exceptional healthcare for people facing access barriers. Established in 1971, Peak Vista today offers outpatient medical, dental and behavioral healthcare to almost 59,000 people, mostly from working families of the Pikes Peak Region. Nineteen centers support care. In 2005, Peak Vista established its Foundation to sustain healthcare services for those without access.

Dear Friends of Peak Vista Community Health Centers,

Did you know that:

- Peak Vista served almost 59,000 people in 2010?
- Peak Vista employed 504 people at the close of 2010?
- Peak Vista has written Memorandums of Understanding with more than 150 community partners?

That is a true testimony to the "community" part of our name. To all our friends and partners, thank you for helping make 2010 a year that Peak Vista provided a healthcare home to thousands more people living in the Pikes Peak Region who were seeking primary medical, dental and behavioral health care.

In addition to the highlights of 2010 provided in this report, let's look ahead for a moment. In 2010, the Peak Vista Board of Directors spent six months drafting new five year strategic goals that were approved in December. Given the changes already in place or to be enacted in coming years, the Board wiped the strategic slate clean and worked hard on goals that will guide Peak Vista's future for the next few years. Do we know what the future will bring? Absolutely not, but our goals provide the guardrails and the route flexibility to keep Peak Vista on course to arrive at our destination – a "Healthcare Home" for thousands living in our region.

Please review the information in this Annual Report as it is our way to report to you, the community we depend upon and serve, that all investments in Peak Vista – whether public, private or corporate – were used wisely to meet our mission and support the economic vitality of the Pikes Peak Region through job creation and integrated primary medical, dental and behavioral health services to keep our working families healthy and on their jobs.

Thanking you sincerely for helping us "provide exceptional healthcare for people facing access barriers."

George P. Guerrero

B.J. Scott

B.J. Scott
President & CEO

A young dental patient is all smiles following treatment at Peak Vista's new Dental Health Center at International Circle.

In August, Dr. Michael Welch, Peak Vista's VP of Medical, presented the Colorado Community Health Network's Volunteer Clinician of the Year award to Dr. David Rosenbaum at the All Staff Picnic during National Community Health Center Week.

In March, Peak Vista's quality Immunization Program was recognized during the Colorado Community Health Network's Qualies Awards in Denver. Various staff were on hand to accept and celebrate the honor.

Support Peak Vista With Your Voice

Grassroots advocacy brings people together to affect change through action. Our advocacy goal is to raise awareness about legislation, policy or healthcare issues that affect Peak Vista, our patients, and our community. It is critical to let our elected officials and governmental partners hear our collective voice about the importance of quality, affordable, and accessible healthcare. Share your voice at www.peakvista.org or call 719-344-6683.

PEAK VISTA COMMUNITY HEALTH CENTERS KEY FACTS - FISCAL YEAR 2010

Primary Care Services

	Patients	Visits
Medical	54,225	172,014
Dental	11,043	23,259
Support Services		5,342
Acute Care		16,395
Behavioral Health		14,266
Volunteer Physicians		3,852
Homeless Health	1,515	5,444
Total Served	58,717*	240,572

*Some patients use both medical and dental services. This number represents the unduplicated number of Peak Vista patients.

Patient Services by Payor Source

Payor Source	Visits	Revenues
No Insurance*	38%	18%
Medicaid	47%	68%
Medicare	8%	6%
Commercial Insurance	1%	3%
Colorado Child Health Plan Plus	6%	5%

*This number includes self pay, sliding fee scale and the Colorado Indigent Care Program.

Peak Vista's Annual Funding Sources

- 45% of revenues generated from patient visits (Medicaid, Medicare, CACP, CHP plus, patient co-pays, commercial insurance, etc.)
- 55% other funding included:
 - 24% In-kind contributions, Foundation revenue, donations, and other revenue
 - 15% Federal funding
 - 16% State support
- Donated pharmaceuticals totaled \$5,138,369.
- Donated professional services and supplies totaled \$552,676.

Volunteer Hours

- 2,872 professional hours; 1,473 general hours

Peak Vista's Staff

- 44 Doctors (Physicians and Dentists)
- 38 Mid-Level Providers (PAs, NPs, CNMs and Dental Hygienists)
- 149 Clinical Support (RNs, MAs, Dental Assistants, Lab, Pharmacy, etc.)
- 175 Health Center support
- 98 Administrative support
- 504 Employee Positions

Charity Care Provided

- \$13,582,675 worth of charity care was provided for medical, dental, behavioral health and health education services.
- Less than 0.5% of charges were bad debt and not included in the above number.

Patient Income Level

- 71% were at or below poverty level.*
 - 94% were at or below 200% of the poverty level.
 - 4% did not qualify for public programs and were not insured (paid full fee).
- *2010 Federal poverty guidelines are: \$10,830 income for a single person; \$22,050 for a family of four.

Ethnicity of Patients

- 46% White
- 33% Hispanic
- 9% African American
- 12% Other

Age of Patients

- 17% Preschool (0-4 years)
- 29% School Age (5-19 years)
- 29% Young Adults (20-44 years)
- 20% Adults (45-64 years)
- 5% Seniors (65+ years)

Other Key Points

- Peak Vista leveraged every dollar granted by the Federal government into \$3.69 worth of healthcare.
- Peak Vista OB providers delivered 1,157 newborns, with a low birth weight rate under 7%.
- Peak Vista filled 201,199 prescriptions.
- Peak Vista provided students with 6,322 clinical internship hours.
- 82% of expenses supported direct services.
- 21% of our patients were best served in a language other than English.

2010 Peak Vista Community Partners*

Peak Vista places a high value on its strategic partnerships. They remove access barriers for many Peak Vista patients - allowing them to be seen by local providers and organizations with whom they would normally have no access. Through the use of partnerships in 2010, Peak Vista was able to work with community agencies, providers, grantors and businesses to provide high-level primary medical, dental

FOUNDATION

MISSION

Peak Vista Community Health Centers Foundation, a separate 501(c)(3) nonprofit organization, was established in 2005 for charitable purposes to ensure the sustainability of the medical, dental and behavioral health services provided by Peak Vista Community Health Centers and other nonprofit tax exempt organizations that partner with Peak Vista Community Health Centers in meeting the healthcare needs of our community.

2010 ANNUAL REPORT

"It takes a lot of hands to help our community collaborate on healthcare access."

THE NEED FOR PEAK VISTA COMMUNITY HEALTH CENTERS FOUNDATION

In 1971, a group of citizens met to discuss its concern about the lack of healthcare for low income and uninsured residents. The resolution was a clinic, which later became Peak Vista Community Health Centers. What once was staffed by volunteer nurses and doctors has now grown into a comprehensive health organization which provides a healthcare home with patient-focused care. As our community continues to experience an increased demand for primary healthcare services, the need for strategic fundraising was identified and the Peak Vista Community Health Centers Foundation was established. Today the Foundation is a sound investment, assuring sustainability of quality care for our community's working families.

Dear Friends of Peak Vista Community Health Centers Foundation,

We invite you to review the highlights of the year presented in this 2010 Annual Report. What you will discover is that it is far more about you than it is about us.

We have highlighted for you the incredible work of the Community Benefit Initiative Cabinet members who have raised needed capital and equipment dollars. We share with you the special recognition recently awarded by the Center for Nonprofit Excellence to Sue Foerster and Dr. Tom Bates, two of our founding board members, who were honored as the 2010 Outstanding Fundraising Campaign Volunteers.

The 6th annual Breakfast of Champions -- featuring Olympian Eric Heiden, M.D. -- was attended by nearly 800 of your fellow community members, all of whom were there to help us honor Ronald McDonald House Charities of Southern Colorado, the 2010 Champion of Community Health.

Thanks to you and many other people like you, truly exceptional healthcare is available to thousands of our neighbors and friends who face barriers to good healthcare. Please follow the link to our website to see the full listing of Peak Vista's valued donors.

In a nutshell, the work and progress of the Foundation can be summarized in three words -- Incredible Community Support. On behalf of our Board of Directors, staff and the nearly 59,000 patients served by Peak Vista in 2010, thank you!

Sincerely,

Jay Maloney

DONOR SPOTLIGHT

Pam and Dr. John Sherfesee are long-time Colorado Springs residents who first learned of Peak Vista in 2005. "As we learned more about this amazing organization, our commitment to its vision grew even stronger," they said. "Since John and I do not possess the medical expertise necessary to directly give others the medical and dental care they might need, we are trying to do the next best thing -- to support those who can deliver that much needed care," said Pam. In 2010, the Sherfesees sponsored two tables at the Breakfast of Champions, donating the seats at one table to athletes who are living and training at the U.S. Olympic Training Center. "We wanted to share the story of Eric Heiden both as an athlete and as a professional to hopefully inspire the athletes. All of it was worth it when we saw the young athletes rush up to the front of the stage after the breakfast to meet Eric."

Donors, board members, staff and the community gathered at the June 17 Open House for the new Colorado Springs Senior Health Center at 722 South Wahsatch, Peak Vista's original site. The Center is a project of the Community Benefit Initiative.

Major sponsors for the 2010 Breakfast of Champions gathered at Penrose House for a reception the evening before the Breakfast.

Presenting Sponsor, Bill Hybl of El Pomar Foundation, and Olympian Eric Heiden, share a light moment at the Breakfast of Champions Reception.

“Opening Doors To Healthcare Access” A COMMUNITY BENEFIT INITIATIVE

Peak Vista Community Health Centers Foundation launched a Community Benefit Initiative called “Opening Doors to Healthcare Access” in October 2007. The goals of this Initiative focus on increasing patient access to care, specifically for those who are homeless, children, and seniors, as well as individuals seeking dental services. To this end, Peak Vista began raising funds to complete four high-impact construction projects. The first three, listed below, comprise Phase I and are expected to cost \$10 million.

2010 PROGRESS REPORT

Homeless Health Center:

Relocated and renovated the Homeless Health Center at 117 W. Rio Grande adjacent to the Salvation Army’s New Hope Shelter, providing convenient one-stop access to medical, dental and behavioral health services for 1,300 homeless patients per year. Completed October 2009. Utilized throughout 2010 to serve 1,515 homeless patients. Project cost: \$468,000

Colorado Springs Senior Health Center:

Built and opened the new Colorado Springs Senior Health Center at 722 S. Wahsatch Avenue, providing access to a variety of primary medical, behavioral health and wellness services for 2,400 seniors not currently being served at other Peak Vista locations. Located adjacent to a senior housing complex, all seniors ages 60 and older are eligible to enroll with no waiting list. Completed and dedicated June 2010. More than 200 people helped us celebrate our Grand Opening of the Colorado Springs Senior Health Center on June 17. Project cost: \$3,800,000

International Circle Campus:

Remodeling began on 2828 International Circle Campus to house our new Pediatric Health Center, expand the Dental Health Center, Enrollment Services area, and new X-Ray Department. To be completed in May 2011, this facility will expand access for 6,000 new medical patients and 1,000 new dental patients, most from working families in our community. Project cost: \$5,789,000

KEY ACCOMPLISHMENTS 2010

- We launched the “public phase” of our Community Benefit Initiative in June, reaching out to the medical and dental communities, in addition to the general public.
- With more than \$8.3 million raised at the end of 2010, we are on track to complete Phase I by Spring 2011.

A LOOK AHEAD:

Phase II – The Lane Senior Health Center

Peak Vista will relocate its existing Senior Health Center North onto the University of Colorado – Colorado Springs campus within an educational facility and expand access to a variety of patient exam, treatment, and wellness options for 4,500 new patients. This exciting new model will offer significant partnering opportunities with UCCS and leverage its CU Aging Center, Gerontology Center, Beth-El School of Nursing and Health Sciences as well as the College of Business and Administration to innovatively serve seniors in our community.

"Opening Doors To Healthcare Access"

A COMMUNITY BENEFIT INITIATIVE

The success of Opening Doors to Healthcare Access stems from the passion, commitment and leadership provided by the Community Benefit Initiative Cabinet. The following individuals generously provided time, wisdom, and resources to ensure the success of our efforts.

THANK YOU!

Peak Vista Community Health Centers Foundation expresses its deepest gratitude to the nearly 300 businesses, foundations and individuals who have contributed to the Community Benefit Initiative. Your partnership is the key to opening doors to healthcare access! For a complete list of donors, please visit us online at www.peakvistafoundation.org and click on "Community Benefit Initiative".

722 South Wahsatch, Colorado Springs, CO 80903
Email: foundation@peakvista.org www.peakvistafoundation.org

Peak Vista Community Health Centers Foundation is designated as a project of the El Paso County Enterprise Zone, which seeks to promote economic development in our community. Donors who make their gifts of \$500 or more to Peak Vista through the Enterprise Zone are eligible to receive a Colorado state tax credit equal to 25% of their donation amount, in addition to regular federal and state tax benefits.

FOUNDATION

Peak Vista Community Health Centers Foundation policies are written to protect each donor's charitable intent for their gift. Should funding needs change, the Board of Directors of Peak Vista Community Health Centers Foundation is authorized by these policies to use the funds for purposes similar to the original purpose that in their judgment will help advance the aims of promoting access to healthcare.
