### **Peak Vista's Breakfast of Champions to Feature Venus Williams on November 4**

**COLORADO SPRINGS, Colo.** – Peak Vista Community Health Centers Foundation's annual fundraising event, the Breakfast of Champions, will feature Venus Williams, a four time Olympic Gold Medalist, as 2014's keynote speaker.

"Venus suffers from an autoimmune condition called Sjogren's syndrome and is sensitive to the crucial need for people to have access to healthcare," said BJ Scott, Executive Director of the Foundation. "It will be inspirational to hear this gifted Champion tell her story."

Williams and her sister Serena have won more Olympic gold medals than any other female tennis players and at the 2000 Sydney Olympics, Williams became only the second player to win Olympic gold medals in both singles and doubles at the same Olympic Games, after Helen Wills Moody in 1924. Her seven Grand Slam singles titles, including five Wimbledon singles titles, have placed her on the list of one of the greatest tennis players in history.

Held at the Broadmoor International Center, the Breakfast supports Peak Vista Community Health Centers, a non-profit organization which provides medical, dental and behavioral health services for working families, women, children, seniors and homeless individuals. This year's Breakfast not only marks the 10 year mark for the event, but coincides with Scott's retirement after 18 years of service to Peak Vista.

"BJ's accomplishments are too many to list including establishing the Peak Vista Foundation," shared Pam McManus President and CEO. "Her expertise and passion for the mission of Peak Vista is truly remarkable."

The 2014 Breakfast of Champions will be held on November 4 from 7:30 – 9:00 am. Tickets are available at [www.peakvistafoundation.org](http://www.peakvistafoundation.org)

Peak Vista is honored to have El Pomar Foundation as Presenting Sponsor of the Breakfast of Champions for the tenth consecutive year, with Wells Fargo Bank and Wells Fargo Advisors returning as the Gold Medal Keynote Sponsor. Kirkpatrick Bank is the Silver Medal Fund-the-Mission Sponsor and KeyBank is the Bronze Medal VIP Sponsor this year.

### **About Peak Vista Community Health Centers**

Peak Vista Community Health Centers is a non-profit organization whose mission is "to provide exceptional healthcare for people facing access barriers." Established in 1971, Peak Vista now offers primary medical, dental, and behavioral health services to more than 80,000 patients annually in the Pikes Peak region and the East Central Plains.
