Peak Vista Community Health Centers Announces Breakfast of Champions® Kick-Off Event

Colorado Springs, Colo. – Peak Vista Community Health Centers (Peak Vista) announces inaugural Breakfast of Champions® Kick-Off event on Wednesday, June 28, 2017.

This inaugural event will give Peak Vista’s sponsors an early preview of the 13th annual Breakfast of Champions® Olympic athlete. “We are so excited to see new friends as well as old at the kick-off event for this exciting 13th year,” shared Debbie Baum, Director of Development at Peak Vista. “Simply put, if it wasn’t for our faithful supporters, Peak Vista wouldn’t exist. We are so thankful for the funds we receive in order to make a difference in the lives of our patients.” The need in our community is so great that Breakfast of Champions® was developed to generate funds, create awareness of Peak Vista’s programs and services, and recognize the many physicians, dentists, behavioral health providers, nurses, board of directors and other champions who support Peak Vista’s 26 health centers.

For more information on how to become a sponsor, please contact Debbie Baum, at 719-344-6605, or at debbie.baum@peakvista.org.

Peak Vista’s 13th annual Breakfast of Champions® will be held on October 26 at the Broadmoor International Center. The Breakfast supports Peak Vista Community Health Centers, a nonprofit organization which provides medical, dental and behavioral health services for over 90,000 patients annually in the Pikes Peak and the East Central regions. Tickets will be available at www.peakvista.org/give on July 28, as well as the public release of the keynote speaker.

To learn more about Peak Vista’s Breakfast of Champions® event and other ways to give please, visit www.peakvista.org/give/ways-to-give.

About Peak Vista Community Health Centers

Peak Vista Community Health Centers is a nonprofit organization whose mission is to provide exceptional health care to people facing access barriers through clinical programs and education. Established in 1971, Peak Vista now offers primary medical, dental and behavioral health services to over 90,000 patients annually in the Pikes Peak and the East Central regions.
