Peak Vista Community Health Centers Hosts 2020 Breakfast of Champions® Virtual Campaign

Peak Vista's annual fundraiser, Breakfast of Champions, will celebrate its 16th year as a month-long giving campaign featuring several past Olympian keynote speakers. In years previous, Breakfast of Champions has been a premier, in-person event. This year, the event will take place virtually throughout the month of November. Funds raised will help provide primary medical, dental and behavioral health services that support people living in the Pikes Peak and East Central regions of Colorado.

"During this time of uncertainty, it's important that we come together to ensure that no matter what the circumstance is, our neighbors don't have to go without. That includes great health care," said President and CEO, Pam McManus. "Peak Vista's mission has never been more critical, and, with the support of our community, we can continue to make sure our doors are always open."

Through social media, Peak Vista will pay homage to its legacy with highlights of past participants, notes from previous keynote speakers such as Apolo Ohno and stories from patients and staff. The community is encouraged to follow Peak Vista's Facebook page and website for updates.

More information about the Breakfast of Champions and opportunities for participation can be found at peakvista.org.

About Peak Vista Community Health Centers

Peak Vista Community Health Centers is a nonprofit organization providing exceptional health care to people facing access barriers through clinical programs and education. Established in 1971, Peak Vista offers primary medical, integrated behavioral health, and dental care services. We proudly serve over 93,000 patients annually through 28 outpatient centers in Colorado's Pikes Peak and East Central regions. To learn more about Peak Vista, visit peakvista.org.
