Peak Vista Appoints New Vice President of Medical Services

COLORADO SPRINGS, Colo. – Peak Vista Community Health Centers (Peak Vista) is pleased to announce the appointment of Karen Campbell, DO, as the vice president of medical services. In her new role, Dr. Campbell will be part of the medical team in charge of five of Peak Vista’s 25 health centers. She will also continue to spend a portion of her time providing healthcare at the [Lane Family Health Center](#).

“Peak Vista and the community have benefited greatly from Dr. Campbell’s notable leadership skills and distinguished years of clinical experience,” commented Michael Welch, DO, Peak Vista’s chief medical and dental officer. “She will play an integral part in providing quality healthcare in the Pikes Peak Region for those who face access barriers.”

Since joining Peak Vista in 1999, Dr. Campbell has been providing care for patients of all ages and has served as the director of Peak Vista’s Health Center at Union for 10 years. Most recently, she directed the Health Center at Wahsatch and the Lane Family Health Center.

Dr. Campbell received her undergraduate degree in Molecular and Cellular Biology at the University of Colorado and her Doctor of Osteopathic degree from Midwestern University, Chicago College of Osteopathic Medicine.

About Peak Vista Community Health Centers

Peak Vista Community Health Centers is a nonprofit organization whose mission is to provide exceptional healthcare for people facing access barriers. Established in 1971, Peak Vista now offers primary medical, dental, and behavioral health services to more than 82,550 patients annually in the Pikes Peak and the East Central Plains regions.
