About the Breakfast of Champions®

OUR MISSION

The Breakfast of Champions® (BOC) is Peak Vista's premier fundraising event that supports our mission, to provide exceptional health care to people facing access barriers through clinical programs and education. This annual event usually features a gold medal Olympian who shares their inspirational story and its connection to health care.

Breakfast of Champions® generates funds for primary medical, dental and behavioral health services for working families in the Pikes Peak and East Central region, creates awareness of Peak Vista's programs and recognizes the many physicians, dentists and other volunteer champions who support Peak Vista.

OUR HISTORY

Peak Vista Community Health Center's Foundation was established in 2005, hosting its inaugural Breakfast of Champions® fundraiser, featuring Mary Lou Retton and honoring Bishop Richard Hanifen as the 2005 Champion of Community Health. The Foundation raises money to support the programs and services provided by Peak Vista Community Health Centers.

OUR EVENT

The breakfast is the culmination of two BOC events:

- VIP Reception is held the evening prior to the breakfast where high-profile donors and corporate sponsors are able to meet and have their pictures taken with the Olympic athlete.
- Annual Breakfast of Champions® event.

BREAKFAST OF CHAMPIONS® is a registered trademark of General Mills, Inc. and is used with permission.
