Peak Vista Receives Donation from Award-Winning Women's Golf Club

Colorado Springs, Colo. – Peak Vista Community Health Centers (Peak Vista) was the recipient of funds generated by the Patty Jewett 2022 Charity Golf Tournament, hosted July 7, 2022. The organization raised \$10,000 for Peak Vista's women's health services, which included \$8,500 on the day of the tournament and additional donations received shortly after.

"We are so grateful to the Patty Jewett Women's Golf Club for this donation," stated Director of Health Equity, Anne Beer. "With these proceeds, we will be able to provide women with care they may not have been able to afford otherwise." Funds from the tournament will help women's health patients receive free or discounted breast and cervical exams, mammograms, yearly wellness visits, and more.

Peak Vista's Women's Health Center has been serving women in the Colorado Springs community since 1989. Last year, the health center saw more than 8,200 patients.

The Patty Jewett Women's Golf Club is an 18-hole competitive league with over 100 members. It was named the Colorado Golf Association's 2021 Women's Club of the Year.

About Peak Vista Community Health Centers

Peak Vista Community Health Centers is a nonprofit organization providing exceptional health care to people facing access barriers through clinical programs and education. Celebrating over 50 years of community health service, Peak Vista offers primary medical, integrated behavioral health and dental care services. We proudly serve over 89,000 patients annually through 23 outpatient centers in Colorado's Pikes Peak and East Central regions. To learn more about Peak Vista, visit www.peakvista.org.
