## Peak Vista Provider Becomes New Vice President of Medical Services

**Colorado Springs, Colo.** – Peak Vista Community Health Centers (Peak Vista) congratulates Brett Whetstine, PA-C, on his promotion to Vice President of Medical Services.

Whetstine has a Master of Science in Physician Assistant Studies from the University of St. Francis in Albuquerque, New Mexico. He joined Peak Vista in 2009 as a physician assistant. In his time with Peak Vista, he practiced in Peak Vista’s Rheumatology clinic, providing specialty care and diagnoses to those with rheumatology, and eventually became the medical director at the Lane Family Health Center and the Health Center at Divide.

In his new role, Whetstine will oversee the operations of several Peak Vista locations across the Pikes Peak and Eastern Plains regions.

Whetstine is a mission-driven provider who cares deeply for his patients, “I appreciate the trust my patients and their families place in me to provide their care.”

In his free time, Whetstine enjoys spending time outside cycling, skiing and snowboarding.

### **About Peak Vista Community Health Centers**

Peak Vista Community Health Centers is a nonprofit organization providing exceptional health care to people facing access barriers through clinical programs and education. Celebrating over 50 years of community health service, Peak Vista offers primary medical, integrated behavioral health and dental care services. We proudly serve over 93,000 patients annually through outpatient centers in Colorado’s Pikes Peak and East Central regions. To learn more about Peak Vista, visit [www.peakvista.org](http://www.peakvista.org).
