Leadership Change at Peak Vista Community Health Centers

Colorado Springs, Colo. – Pam McManus has stepped down as President and CEO of Peak Vista Community Health Centers. Lisa Ramey, DO, Peak Vista’s Chief Medical and Dental Officer, will serve as the Interim President and CEO until a new President and CEO has been hired. Dr. Ramey has been with Peak Vista since 2010 and will continue to serve as its Chief Medical and Dental Officer during the transition.

A national search is being conducted to fill the President and CEO position, and no disruption to community services is expected.
