**Peak Vista Appoints Vice President of Medical Services**

**Colorado Springs, Colo.** – Peak Vista Community Health Centers (Peak Vista) appointed Lawrence Andrews, MD as vice president of medical services. Dr. Andrews will be part of a medical team leading several of Peak Vista’s 26 Health Centers. He will also spend a portion of his time providing care at the [Health Center at Academy, 3500](#).

“Dr. Andrews’s approach to care aligns with that of Peak Vista and our core values. He takes time to actively support and educate patients so they are better equipped to achieve their health and wellness goals,” shared Chief Medical and Dental Officer Michael D. Welch, DO. “Dr. Andrews will play an integral part in providing exceptional health care in the Pikes Peak Region for patients facing access barriers.”

Previous to joining Peak Vista in 2016, Dr. Andrews completed his undergraduate studies at Sam Houston State University and the University of Houston. He attended Texas A&M University Health Science Center for medical school. He then completed his residency at Corpus Christi Family Practice Residency program. Dr. Andrews has over 20 years of experience in providing direct patient care.

Dr. Andrews grew up in the Texas Gulf Coast and enjoys hiking and walking.

**About Peak Vista Community Health Centers**

Peak Vista Community Health Centers is a nonprofit organization whose mission is to provide exceptional health care to people facing access barriers through clinical programs and education. Established in 1971, Peak Vista now offers primary medical, dental and behavioral health services to nearly 84,000 patients annually in the Pikes Peak and the East Central Plains regions.
