Peak Vista employs a dedicated staff of health care providers focused on your physical and mental wellness. We provide a broad spectrum of medical, dental and behavioral health care.

- Behavioral Health
- Dentistry
- Family Medicine
- Internal Medicine
- Pediatrics
- Women's Health
- Specialty Care

Peak Vista Services

Focusing on the whole person, we provide **Medical, Dental and Behavioral Health Care** as well as access to various resources that include:

- Lab services
- Pharmacy services
- First Visitor program for newborns
- Health education classes

Peak Vista Patient Portal

Enjoy the convenience of instant access to your health information. The Peak Vista Patient Portal is a secure website that connects you to your health information and providers, instantly and securely – 24 hours a day.

The Patient Portal makes it possible for you to conduct a number of activities that include:

- Request prescription refills
- View lab results
- View personal health information like medication and clinic notes
- Communicate with your provider and care team
- Update your account information
- Request appointments
- Request medical records
- Review and pay bills
- Receive support between appointments

Well-Child Waiting Areas

We know that getting to an appointment can be challenging when you have small children in your care. Some of our clinics offer a Well Child Waiting area. Please ask about this service when you make your appointment.

Convenient Care Center
