The Free for All is our signature event celebrating our fundraising and those, like you, who support Allies for Health + Wellbeing and its work throughout the year. Because of your support and generosity, Allies is able to provide quality medical care and supportive human services to those in our community living with or at risk of HIV, viral hepatitis and sexually transmitted infection.

For 2024, we are excited to announce that the Free for All is expanding to include more performances, greater food and drink offerings and the fun atmosphere shared by all our prior events, with the goal of celebrating our donors and supporters. Instead of hosting the Free for All in tandem with the Allies Ball gala, this year, **the Allies Ball is the Free for All.**

The Free for All includes a paired dinner for donors and financial supporters who also will have access to a club house lounge built in the Children's Museum, complete with cocktail reception and awards presentation, refreshments, and dinner in one of four fully designed dining rooms.

The Free for All will celebrate the generosity of our supporters while showcasing our services to the greater community we serve.
