4. Providing proof of family unit size and gross household income
5. Showing proof of Cornerstone Care as your Dental Home, such as dental exam, treatment plan or dental services

**Accepted
Documentation
Includes:**

- Most recent tax returns
- Two of the most recent pay stubs (if employed)
- Photo ID
- Two utility bills in applicant's name with the correct address
- Notarized letter if no income
- Child's birth certificate if applicable

Smile Care PROGRAM Benefits

- If approved, most patients receive significant assistance for the general dentistry services provided under the program.
- The level of benefit is determined by the information contained in the application.

	Per Adult	Under 18 Yrs.
Preventive Care	Capped @ \$175/Yr.	Not Capped
Restorative Care	Capped @ \$350/Yr.	Not Capped
Specialty Care	Capped @ \$500/Yr.	Capped @ \$500/Yr.

- Even insured patients could be eligible for reduced co-pay and deductible expenses, with discounts ranging from a nominal charge to a 60% discount on services.
- Patients who can provide documented proof of hardship may apply for a fee waiver. A Cornerstone Care financial representative will help you.

Special Notes:

- Only patients who have established a dental home with Cornerstone Care are eligible for assistance with dentures up to a maximum of \$500 per patient. Remakes are not covered.
- Full disclosure of all financial assets is to be included in the application including rents and royalties, checking, savings and investment account balances; interest, stocks and bonds and other cash and financial investment accounts.
- Eligible adult patients may only receive Smile Care benefits under one category of care as defined in the Sliding Fee Scale. Children under the age of 18 are not limited to a single category of care.
- Uninsured children applying for Smile Care benefits must be referred to a health insurance provider and parents must apply for appropriate health insurance coverage.
