

SPRING 2022 VOLUNTEER NEWSLETTER

Thank you for volunteering with Gateway Rehab! You are the very heart of our Recovery Community!

50th Anniversary

On January 2, 1972, Gateway Rehab admitted its first patient. Today, celebrating its 50th year of service to the community, Gateway Rehab continues its dedication as a nonprofit provider, helping all affected by addictive diseases to be healthy in body, mind, and spirit.

While the roots planted by Rabbi Dr. Abraham Twerski in 1972 remain strong, branches continue to grow. The year ahead brings growth with the opening of new programs in this region, signifying hope still has a home at Gateway Rehab.

Campus Expansion

Gateway Rehab's Main Campus, located in Center Township, PA, is expanding to provide the following services:

- Center Township Outpatient Office
- Recovery Housing
- Boxing Academy

Residential Adolescent Program

Gateway Rehab is reinstating the Residential Adolescent Program, offering short-term, intensive addiction treatment for adolescents ages 13+ thanks to funding support from Beaver County. The program helps stabilize patients and provides them with the tools they need to begin recovery. The project is in preliminary stages, and more is to be announced.

Volunteer Spotlight

KEN was first introduced to Gateway as a patient at the Cranberry Township location in 2006. He later worked part time for the organization as an overnight monitor in the youth program.

As a volunteer in 2021, Ken got the opportunity to interact with people in early recovery, which he said was immensely helpful to his own recovery.

He said his favorite activity was accompanying the group to their weekly equine therapy session at Glade Run.

Thank you to all our volunteers who take an active part in supporting recovery in their community!
