

SUMMER 2022 VOLUNTEER NEWSLETTER

Thank you for volunteering with Gateway Rehab! You are the very heart of our Recovery Community!

Gateway Acquires Greenbriar Treatment Center

As of July 1, 2022 Greenbriar Treatment Center has officially joined Gateway Rehab!

The addition of Greenbriar strongly fits into Gateway Rehab's mission to help all affected by addictive diseases to be healthy in body, mind and spirit. As addiction treatment providers who care deeply about the community they serve, this opportunity allows growth in service, treatment, and expanded opportunity to heal our communities.

Gateway Rehab has committed to continue operating the residential treatment and outpatient programs in Greenbriar's current service area including detox, short and long-term inpatient, halfway houses, and outpatient counseling. At this time, admissions of Gateway and Greenbriar are still operating separately. The merging of systems will take some time, and is being handled very strategically so that patient care is never disrupted.

We welcome this collaboration with open arms as we are in pursuit of a common mission-centered organization, empowering people to focus on a patient-first posture.
