Volunteer Spotlight

GREG is one of our many volunteers at our Green Tree office and has been volunteering for Gateway for many years.

Greg's first encounter with Gateway was as a patient. After completing treatment at Gateway, Greg learned about volunteering through his sponsor. Greg decided to start volunteering after he saw how impactful it was in his sponsor's life. We are so thankful to have people like Greg who decide to give back to Gateway! He provides invaluable experience and guidance to our patients by helping us facilitate groups on a weekly basis.

Thank you to all our volunteers who take an active part in supporting recovery in their community!
