

Dr. Susan Federoff has been a longtime provider in our practice, she recently moved out of the state to be closer to her family. She will be missed by many in the community

We understand that many of her patients will need to transition into a new provider at the practice.

Please be assured that there will be no interruption in your care. Dr Gregorio has hired a new physician, Dr Ashley Loughner. Dr Gregorio will assume the care of all Dr. Federoff's patients until they reestablish with one of our excellent provider, our long standing staff of Dr. Gregorio, Dr. Mantella, Dr. Casario and Sean Morgan as well as we have added a new physician, Dr. Ashley Loughner, and two new PAs, Bethany Mitchel and Rachel Pollock

We look forward to continuing your care here at Dr. Martin Gregorio, MD Associates
