Dear Patient,

I would like to take this opportunity to inform you that effective August 1, 2026, Dynamic Healthcare Services (DHS), a Nationwide Medical Company, has assumed the operations of our store, Westmoreland Sleep Medicine DME. The store location will remain the same.

Many of you have trusted us with your care for over 20 years, and I am truly grateful for that relationship. I wanted to assure you that I will continue to take care of you in the office and manage your sleep therapy care just as I have always done.

DHS is a trusted home medical equipment company with a strong reputation for providing exceptional service, and personalized patient support. I believe you will be pleased with the many benefits DHS offers, including free shipping, fast delivery, convenient reordering options, and dedicated customer support.

As always, you have the right to choose your home medical equipment supplier. If you prefer to use a different supplier for your PAP supply needs, please contact our office as soon as possible to opt out of this transition.

It has been a privilege to be part of your sleep health journey, and I will continue to support your sleep therapy needs through this partnership. If you have any questions, please do not hesitate to contact us or reach out to DHS directly:
