

BABY CARE BASICS

WITH SUSAN KOHN, M.D., F.A.A.P.

As new parents, we understand you may have a lot of questions. At Baby Care Basics, Dr. Susan Kohn will provide clinical and practical information to help new parents confidently care for their newborn. Topics will include:

- **Procedures following the baby's birth**
- **Understanding normal newborn characteristics**
- **Infant soothing techniques**
- **Infant safety and nursery equipment**
- **Common breastfeeding concerns and problems**
- **How to know when to call the pediatrician**
- **Proper body mechanics for carrying and lifting baby**
