**Additional Services (Medical Procedures and Specific Health Conditions):**

Sometimes a problem or abnormality is addressed (e.g. fever, severe skin conditions, or recurrent wheezing) which is outside of the scope of a well visit. When additional work is required at the well visit to address this type of issue, an additional office visit/sick visit code or procedure code will be reported to your insurance company. This may also include catch-up services not included in physical exam.

**These services may be subject to cost sharing (co-pays and/ or deductibles) as determined by your insurance company.**
