Capital Area Pediatrics - 9 Month Well Visit Services Authorization

The charge for today's office visit is listed below, along with the charges for additional services that may be recommended based on your child's age, risk factors, or health situation. Our medical staff will only perform and bill for those services that are due for YOUR child today. It is your responsibility to pay for any services that are not covered by your insurance. The billing (CPT) code can be found next to each service.

Additional Services (Medical Procedures and Specific Health Conditions):

Sometimes a problem or abnormality is addressed (e.g. fever, severe skin conditions, or recurrent wheezing) which is outside of the scope of a well visit. When additional work is required at the well visit to address this type of issue, an additional office visit/sick visit code or procedure code will be reported to your insurance company. This may also include catch-up services not included in physical exam.

These services may be subject to cost sharing (co-pays and/ or deductibles) as determined by your insurance company.

Total Fees for Today's Visit:

Table with 4 rows of insurance coverage options and a summary statement: 'The financially responsible party will be liable for all charges rendered at today's visit. A 20% discount maybe applied to the total amount if paid in full at the time of service.'
