Additional Services (Medical Procedures and Specific Health Conditions):

Sometimes a problem or abnormality is addressed (e.g. fever, severe skin conditions, or recurrent wheezing) which is outside of the scope of a well visit. When additional work is required at the well visit to address this type of issue, an additional office visit/sick visit code or procedure code will be reported to your insurance company. This may also include catch-up services not included in the physical exam.

These services may be subject to cost sharing (co-pays and/ or deductibles) as determined by your insurance company.

Total Fees for Today’s Visit:

Table with 2 columns: checkbox, text options (You do not have insurance coverage for today’s visit, A problem has been identified with your insurance coverage, Services are not covered by your insurance, Capital Area Pediatrics does not participate in your insurance plan)

The financially responsible party will be liable for all charges rendered at today’s visit. A 20% discount maybe applied to the total amount if paid in full at the time of service.
