FURNITURE

Citterio Furniture è un articolato sistema di arredi e contenitori per ufficio destinati ad ambienti di lavoro efficienti e funzionali. Ogni collezione è ispirata a criteri di sobrietà compositiva ed eleganza. Ogni collezione è progettata per essere perfettamente integrata con allestimenti differenti per gusto e complessità. Il design minimale che caratterizza ogni modello esprime il vero e proprio stile Citterio, sempre riconoscibile e inalterato nel tempo. Quattro collezioni di arredi: SHARD, scrivanie operative o bench a gambe perimetrali a sezione triangolare; POINT, scrivanie con strutture in alluminio estruso, adatte per il lavoro operativo o per attività direzionali o riunioni; CORNER, un direzionale classico in legno e alluminio di grande pregio; ADD, un sistema di tavoli in doghe di alluminio estruso, pensato per ambienti riunioni o direzionale di grande modernità. Due famiglie di contenitori: MODULAR BOX, abbinabile in ogni collezione di arredi, è proposto in tre altezze ed è destinato ad uno stoccaggio corrente; PROGRAMMA 3, un sistema di contenitori a spalla portante destinato agli stoccaggi intensivi, è perfettamente integrabile con tutte le pareti divisorie Citterio.

Citterio Furniture is a complex system of office furniture and storage units designed for efficient and functional work environments. Each collection is inspired by criteria of compositional sobriety and elegance to be perfectly integrated with outfits of different taste and complexity. The minimal design that characterises each model expresses Citterio's unique style, easily recognisable and unaltered over time. Four furniture collections: SHARD, office desks or bench workstations with triangular section legs; POINT, desks with extruded aluminium frames, suitable for office work as well as executives or meetings; CORNER, classic and stylish executive furniture in wood and aluminium; ADD, a table system in extruded aluminium slats, designed for modern and high-tech meetings or office environments. Two families of storage units: MODULAR BOX can match any furniture collection. It is available in three heights and is intended for everyday storage needs; PROGRAMMA 3 is a system of load-bearing containers for intensive storage, perfectly integrated with all Citterio's partition walls.

Una collezione che si distingue per le gambe sottili a sezione triangolare. L'orientamento degli appoggi, sulle bisettrici di ogni angolo, ne riduce ulteriormente l'impatto visivo conferendo grande leggerezza ad ogni elemento. I piani rettangolari, quadrati o tondi, definiscono postazioni singole, bench o tavoli riunione.

A collection that stands out for its thin triangular-section legs. The orientation of the supporting elements, on the bisector of each corner, reduces their visual impact giving great lightness to each detail. Rectangular, squared or round tops define each individual or bench workstations as well as meeting tables.

Gamba perimetrale in metallo verniciata con polveri epossidiche/ Epoxy powder-coated external metal leg

Scrivanie e schermo autoportante/ Desks and free-standing screens

Contentore portante integrato/ Free-standing integrated storage

Vano a giorno e anta/ Open shelf and door

Soluzione integrata di scrivanie e contenitori con piani a filo top/ Integrated solution of desks and storage units with flush mounted tops

Postazioni ad L a cinque gambe/ L-shaped 5-feet workstations

Tavoli in appoggio sui contenitori/ Tables resting on storage units

Postazioni a bench con gamba centrale arretrata/ Bench workstations with central recessed leg

Postazioni a bench su contenitori portanti/ Bench workstations supported by storage units

Bench con schermo divisorio/ Bench with low screening panel

Schermo divisorio attrezzabile in tessuto/ Fabric-finished screening panel fitted to receive accessories

Profilo per aggancio vaschette porta oggetti/ Profile for hanging trinket tray

Bench con gambe centrali arretrate/ Bench with recessed central legs

Vaschette porta oggetti in alluminio/ Aluminium trinket tray

Piani in legno nobilitato/ Melamine finished wooden tops

Asola di passaggio con spazzolina di chiusura/ Cable slot with brush

Modulo elettrificato apribile in alluminio/ Aluminium inspectable wired module

Canalina di passaggio cavi sottopiano/ Wires runner

Passacavi su piano/ Entry point for wires on desk top

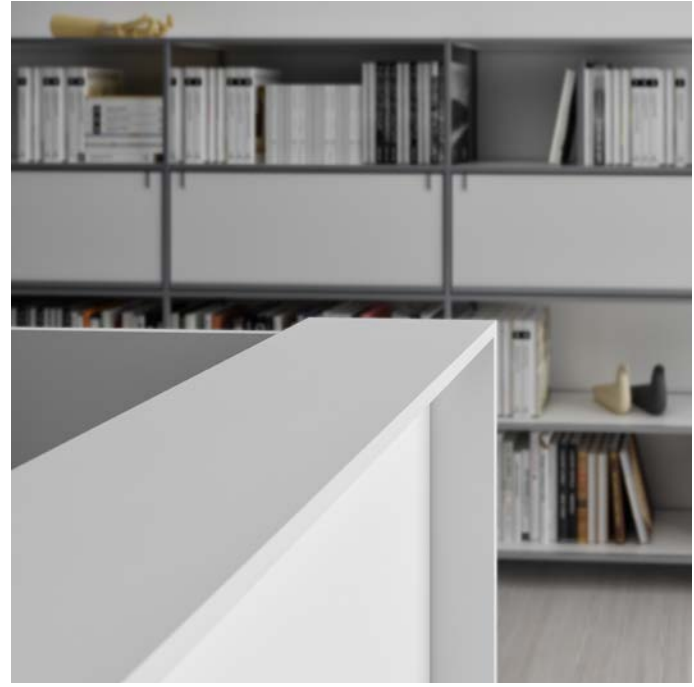

Vertebra di cablaggio/ Vertebrae-shaped sheath for wires

Porta computer su ruote/ Computer cart on wheels

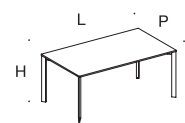

Bancaina per reception/ Reception counter

Elemento terminale/ End element

ESEMPI DI COMPOSIZIONE EXAMPLE OF COMPOSITION

Un tavolo, un'icona, un elemento di grande design in cui il colore disegna ogni superficie. Un insieme di doghe estruse in alluminio perfettamente verniciate che da gamba diventano piano. Un tavolo da lavoro, da riunione, una consolle in tante lunghezze e larghezze per spazi in cui l'oggetto deve caratterizzare l'intero allestimento.
A table, an emblem an element of great design in which colour outlines every surface. An assembly of perfectly painted extruded aluminium slats which turn from legs to top. An office table, for meetings or work, available in different sizes and designed for spaces in which the object characterizes the entire decor.

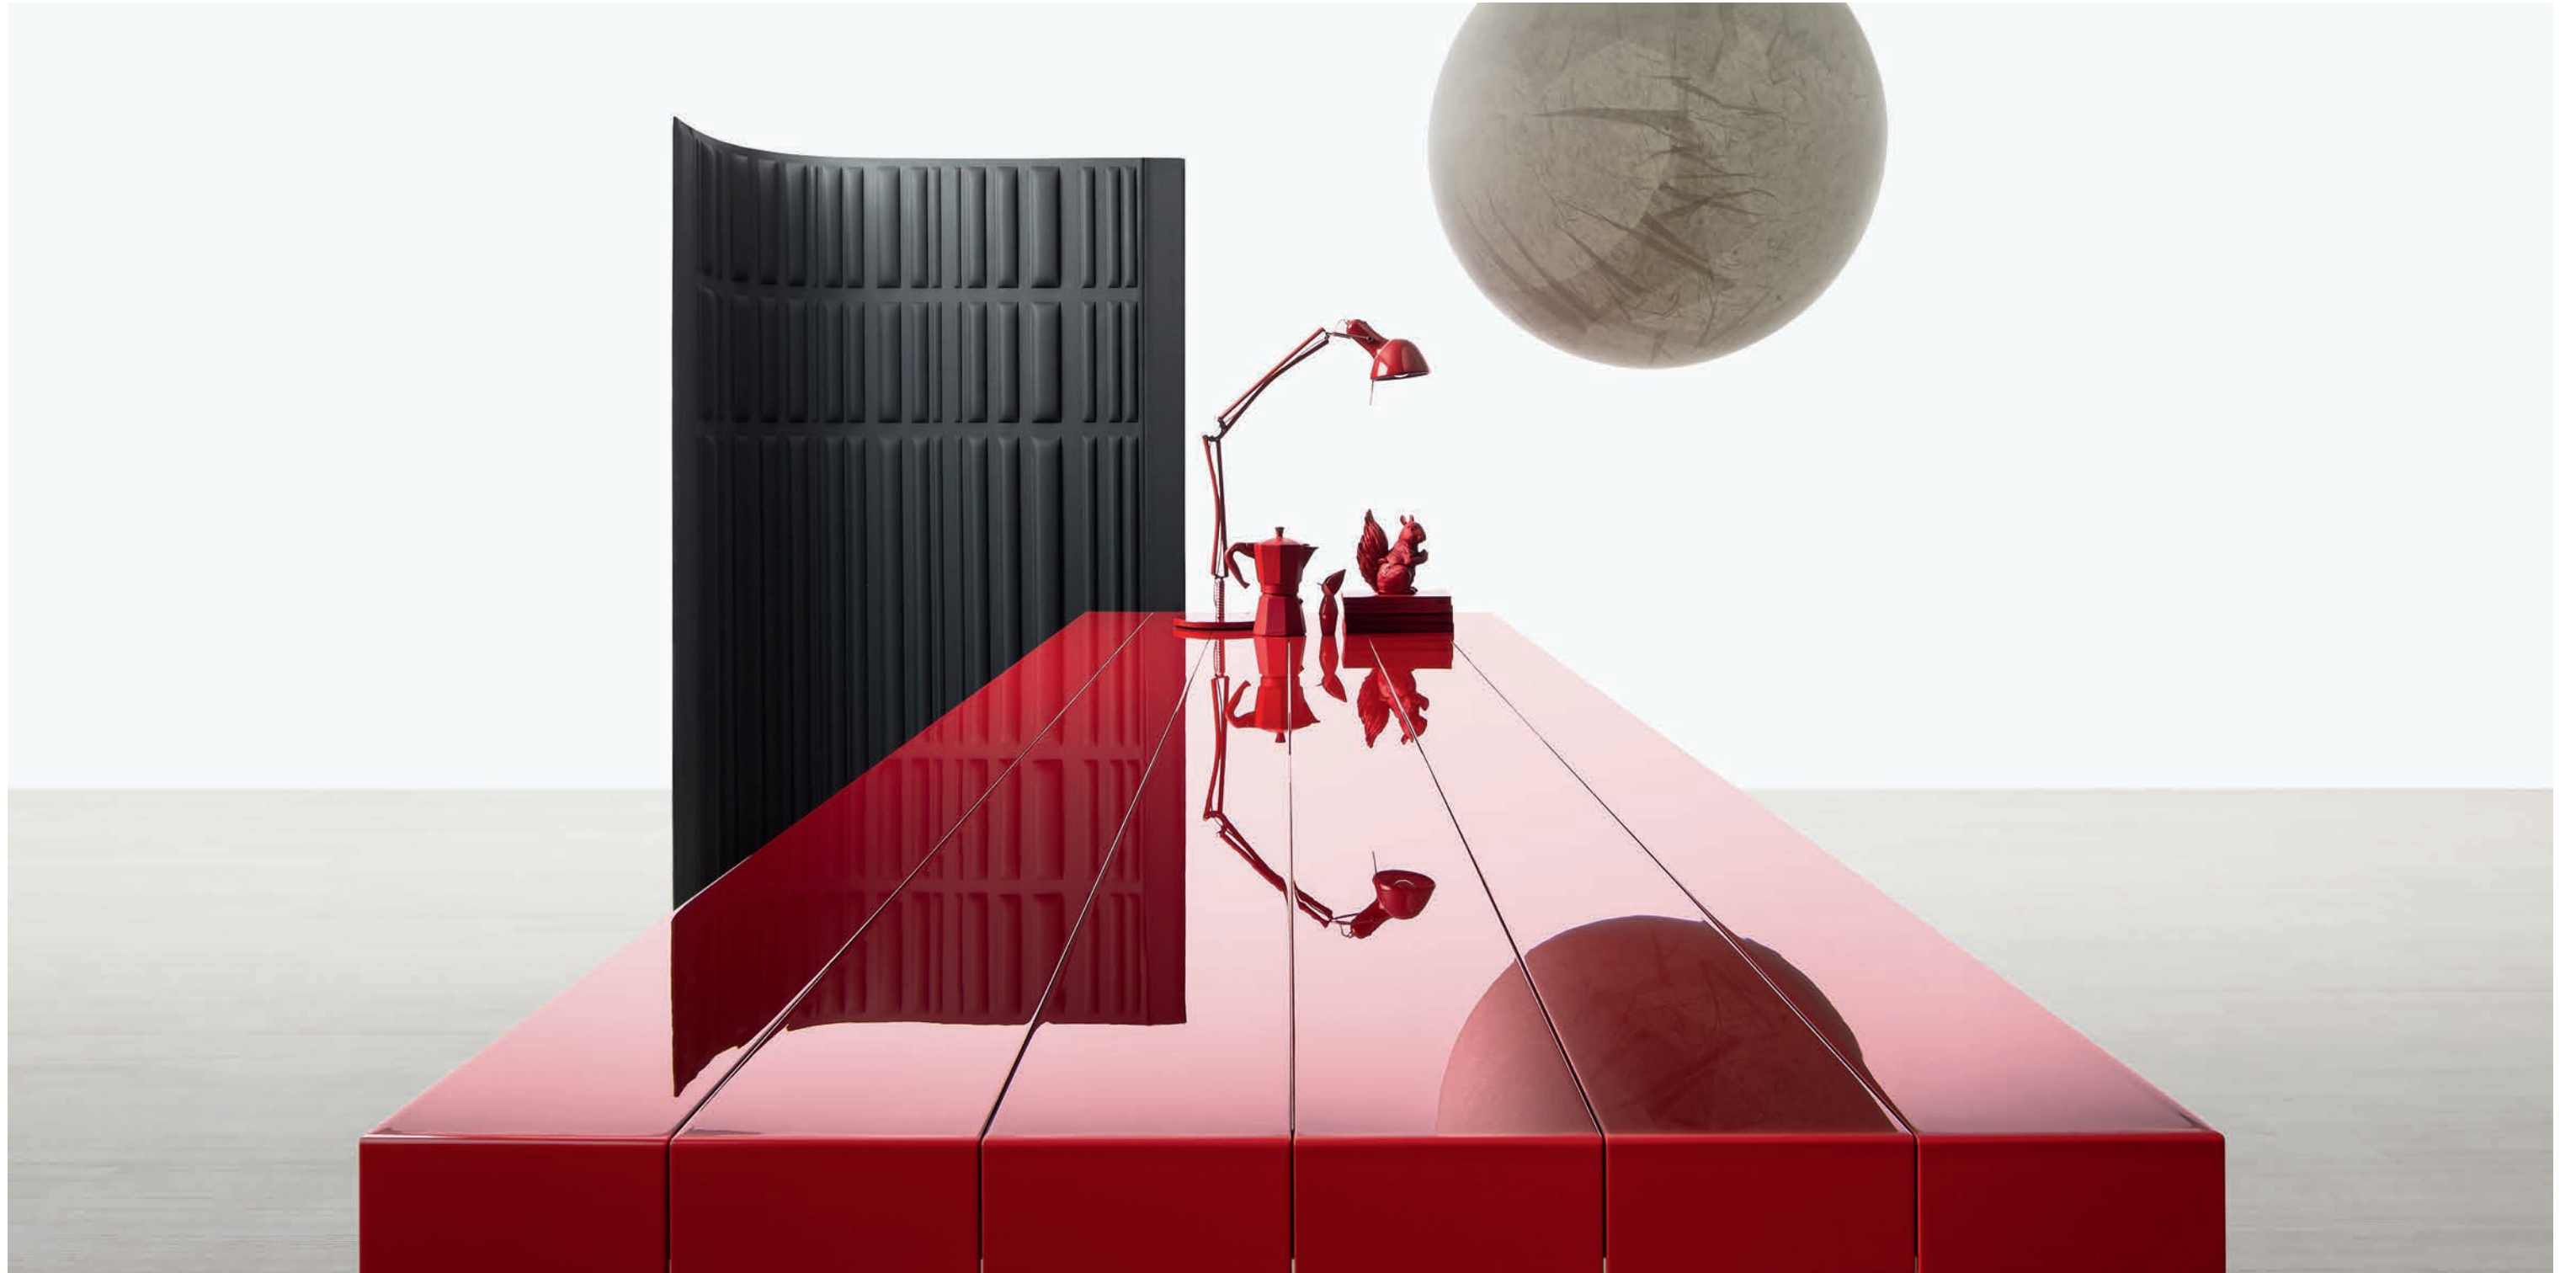

Giunzione tra gamba e piano/ Leg-top junction

Piano di lavoro in doghe lucide/ Polished slats worktop

Tavolo in colore bianco opaco/ Matt white table

Superficie a doghe separate/ Surface with separate slats
