

LAGO HOME OFFICE

A photograph of a modern home office desk. The desk is made of light-colored wood and features a dark wood drawer. On the desk, there is a black laptop, a pair of black-rimmed glasses, and a black notebook. A dark wood shelf is mounted on the wall above the desk, holding several books. A window in the background shows a view of trees and a building.

LAGO

"LA PERSONA RIMESSA
AL CENTRO DEL TUTTO.
QUESTO È IL MODO IN CUI
INTENDIAMO IL DESIGN."

Daniele Lago

LA CASA FLESSIBILE

**Lavorare e studiare:
dal dialogo fra il team LAGO
e le persone della community
sono nati nuovi modi di vivere
gli spazi domestici.**

La collezione Home Office propone sia ambienti completi da adibire a ufficio domestico, sia postazioni funzionali ricavate negli spazi poco utilizzati della propria abitazione.

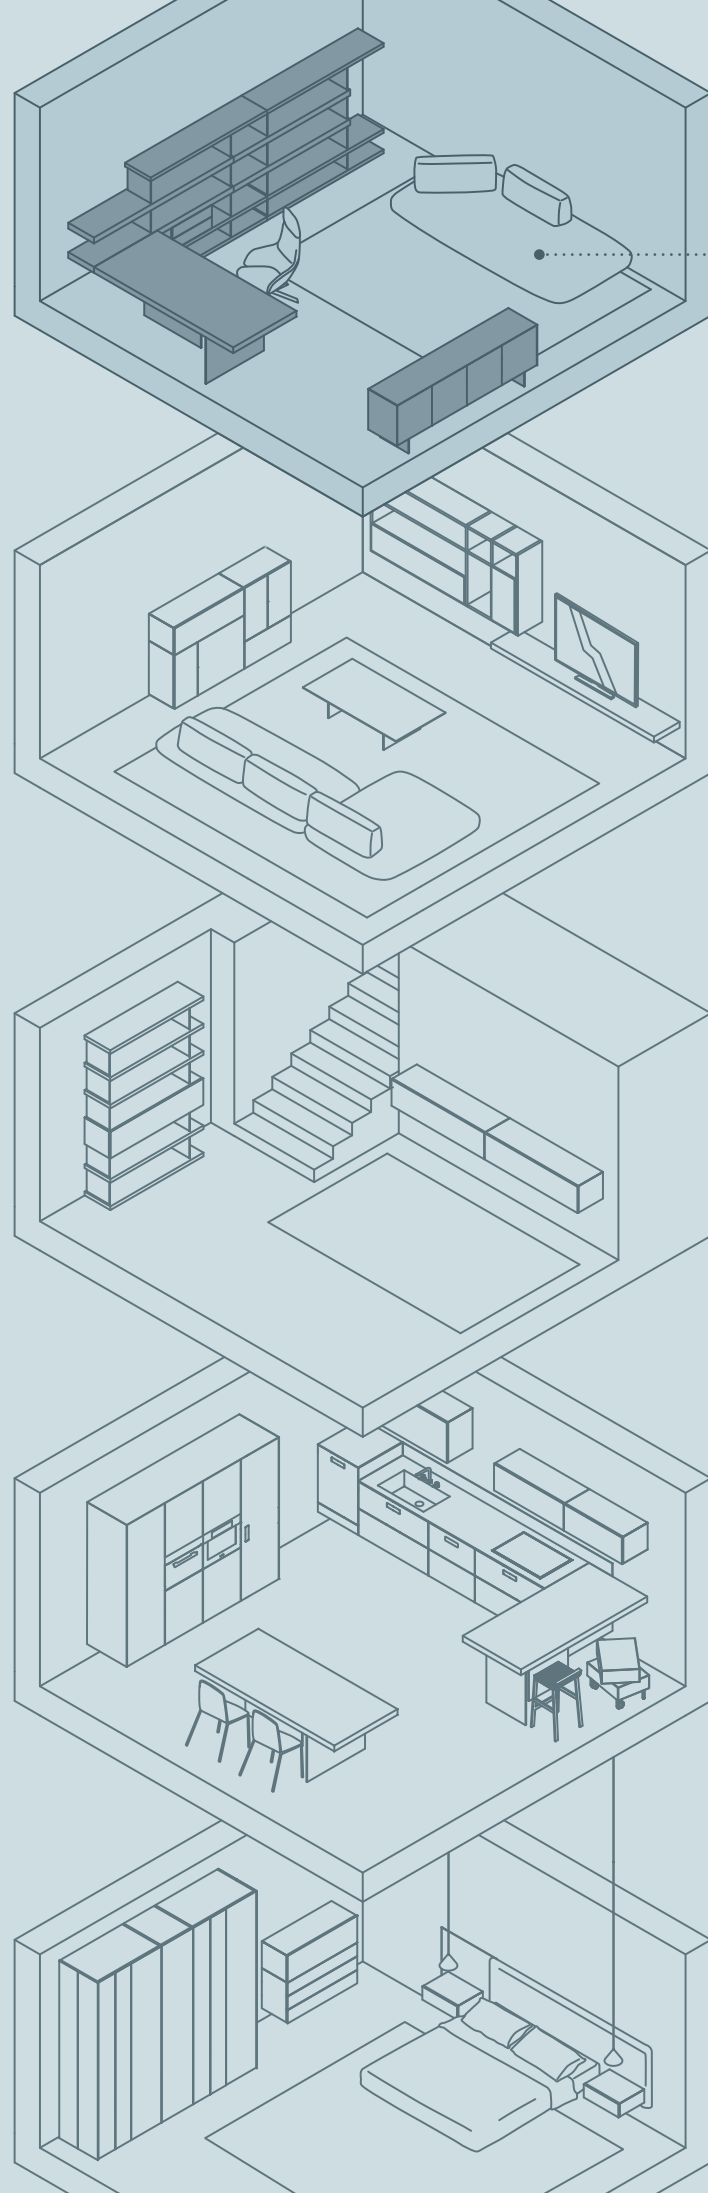

Un sistema di prodotti flessibili e trasformabili, che permette di vestire e adattare la propria casa alle esigenze della vita mutevole e anche ai cambiamenti di abitazione.

THE FLEXIBLE HOME

***Work and study: from the
dialogue between the LAGO
team and the people of the
community, new ways of living
in domestic spaces are created.***

The Home Office collection offers both complete environments to be used as home offices, and functional workstations created in the less used spaces of the home.

A system of flexible and transformable products, allowing you to organise and adapt your home to the changing requirements of life and also to changes in the home.

Spazi Funzionali

Lo spessore del piano in Wildwood consente l'alloggiamento di un cassetto, celato alla vista dalla continuità di venatura del rovere centenario.

Functional Spaces

The thickness of the top in Wildwood allows for a drawer to be incorporated, hidden from view by the continuity of the century oak veining.

Finiture Eleganti

Il piano dello scrittoio è personalizzabile grazie alla finitura XGlass, che oltre a garantire longevità e bellezza nel tempo, assicura facilità di pulizia e igienicità.

Elegant Finishes

The desk top can be customised thanks to the XGlass finish which, as well as providing longevity and beauty over time, guarantees easy cleaning and hygiene.

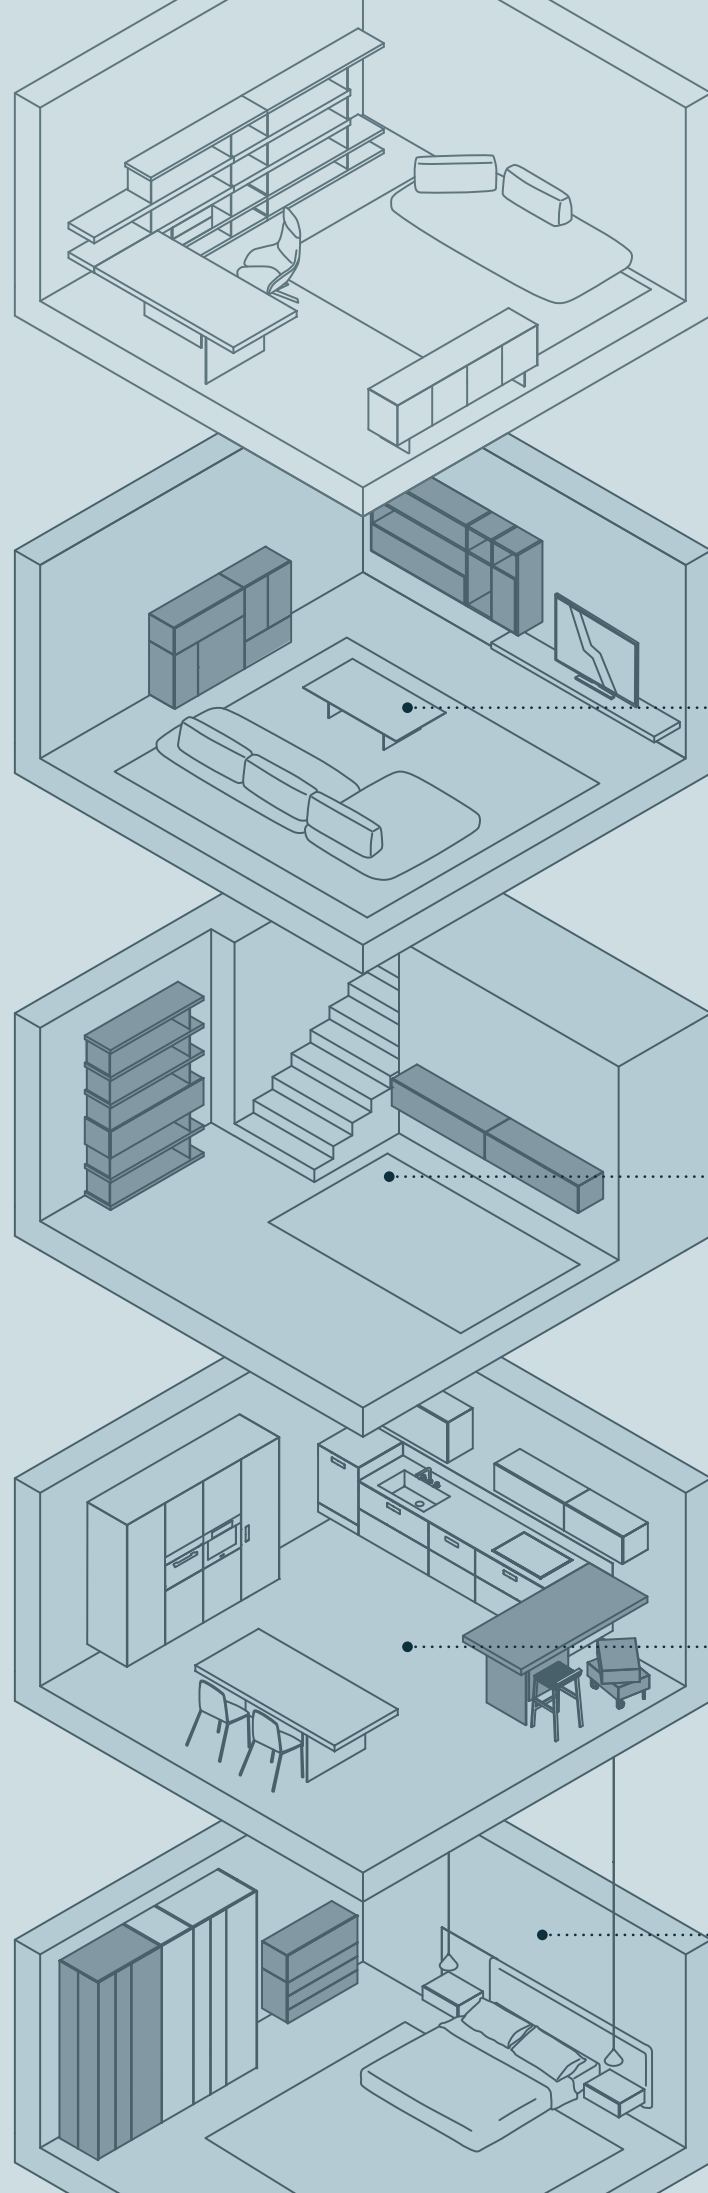

Weightless

L'iconica libreria Weightless, che scende scenograficamente dal soffitto, viene proposta per creare originali spazi di lavoro e di studio in casa, delimitando gli ambienti circostanti con le contrapposizioni di pieni e vuoti.

Weightless

The iconic Weightless shelving, which drops spectacularly from the ceiling, is proposed to create original work and home study spaces, delimiting the surrounding environments with contrasting full and empty spaces.

STUDIO

SPACE-SAVING IDEAS

Un nuovo modo di interpretare gli arredi crea soluzioni innovative e flessibili, che valorizzano spazi poco utilizzati e angoli della casa per creare zone di studio e di lavoro. / *A new way of interpreting furniture creates innovative and flexible solutions, which enhance less used spaces and corners of the home to create study and work areas.*

Inserti Preziosi

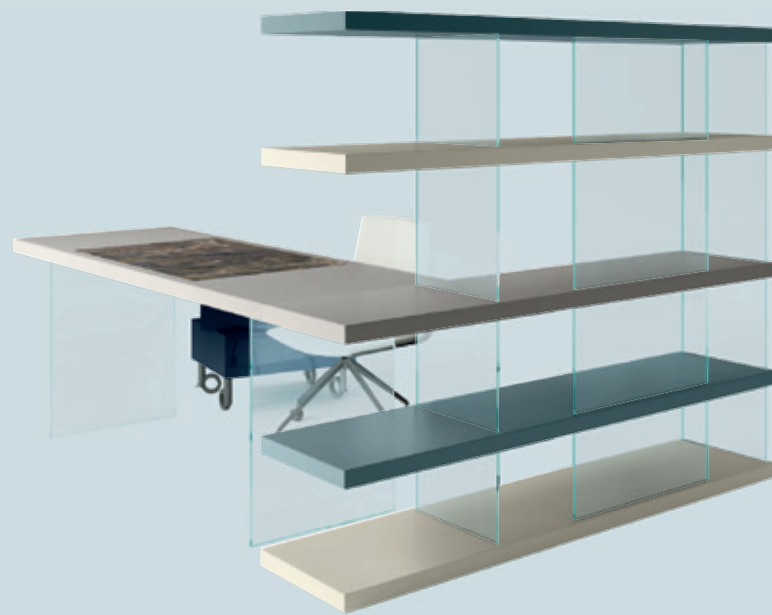

La possibilità di inserire un piano in XGlass nello scrittoio rappresenta una soluzione che garantisce resistenza all'usura e facilità di pulizia grazie alle proprietà fisiche del vetro.

Precious Inserts

The possibility of inserting an XGlass top into the desk is a solution that guarantees resistance to wear and ease of cleaning thanks to the physical properties of the glass.

Flessibilità *Flexibility*

GLI ARREDI MODULARI SI TRASFORMANO PER CREARE
SOLUZIONI SU MISURA. // *THE MODULAR FURNITURE
TRANSFORMS TO CREATE TAILORED SOLUTIONS*

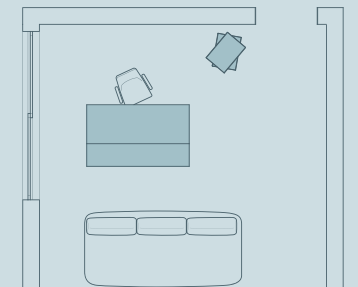

Un semplice gioco di incastri permette di ruotare la libreria self-standing ed il piano di lavoro, adattando la composizione ad ogni tipologia e configurazione degli spazi abitativi. Una soluzione versatile che valorizza il design leggero e contemporaneo del sistema Air.

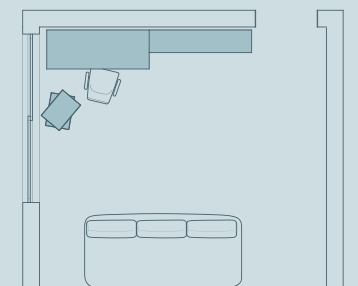

A simple play of joints allows the free-standing shelving and the worktop to be rotated, adapting the composition to every type and configuration of living space. A versatile solution that enhances the light and contemporary design of the Air system.
