Qadro System

Conceived to adapt to the needs of the office and modern contract spaces, Qadro System is a multifunctional system featuring rigorous linear design, created specifically to be easy to assemble, reconfigure and recycle: the perfect solution for flexible shelving to organise and store a multitude of objects.

PFlex Table

PFlex is a table system responding efficiently to all aesthetic and functional needs of modern offices, it offers 4 types of legs, multiple top finishes and aluminium components: a unique flexibility behind its design.

DuoOval

Natural evolution of collection DuoChair, DuoOval features a backrest with a more informal design, available in two heights, defining a product, good looking, simple in design and easy to use.

DuoChair Mesh

DuoChair Mesh embodies transparency and technical lightness: mounted on a lean structure, the innovative elastic mesh is as soft as a thin cushion. This structure not only provides a comfortable padded effect, but also ensures pleasant ventilation.

DuoChair Pad

DuoChair Pad conveys a sense of classic elegance and quality craftsmanship. The backrest structure consists of fabric or leather upholstery stretched across the frame. The multi-chamber upholstery creates a padded effect for continuous, comfortable support. The rigid perimeter structure interacts with the multi-chamber upholstery to give the backrest its freedom of movement.

Qadro System

The system provides a supporting structure for communication screens and technology, space definition and storage, personal items and coworking elements. The great variety of finishes and endless configuration options allow the realisation of original solutions, expressly designed for different requirements.

PFlex Meeting

A resourceful table should be specified for task work, meetings, conferences, coworking, training, and coffee drinking and dining. PFlex swiftly adapt to need with spacious surfaces, flexible configurations and a useful collection of dot-dash accessories.

PFlex Stand up

Whether it is a single, executive or meeting table, PFlex adapts to every need thanks to its compositional flexibility and, thanks to its clean, linear design, it succeeds in adding character to any room while maintaining balance and harmony of form.

PFlex Workstation

A table system reduced to its essential elements, resulting in crafted yet industrial designs with a refined function and essential simplicity. Changing work patterns have highlighted how flexible the office table needs to be.

PFlex All round

Whether the top is round, barrel-shaped, trapezoidal, square or rectangular, the PFlex structure adapts to every imaginable variant. The structural components are made of extruded aluminium, a sustainable and completely recyclable material.

PFlex Stand up workstation

Today's increasingly flexible offices, free from traditional organisation, require products that offer multiple configurations: PFlex is a new table system for modern work, meeting and communication areas.

PBox Collection

PBox is a collection of modular tables of extreme essentiality and high flexibility : by changing the structure dimensions, PBox can become a coworking desk, meeting table, touchdown workstation and stand up, for offices and contract spaces. Endless solutions, endless development.

DuoChair Cubic

DuoChair Cubic with breathable cells is simplicity in design with no loss of comfort. Its cellular fabric backrest, partially padded, ensures constant air circulation through the backrest for increased comfort when sitting. The cellular fabric is made entirely of recycled polyester and is available in a wide range of colours, allowing for high-contrast combinations with seats in a different shade.

PBox Meeting

A very elegant system with a strong personality, featuring light volumes and contemporary style. A perfect fusion between tradition and modernity, finding in materials combination a further enhancement of pure and stylised shapes.

DuoOval Colors

DuoOval has a selection of upholsteries among all ICF fabrics and leather collections, with a wide choice of colours and combinations, making DuoOval a seat suitable for all different workplaces from informal to institutional ones.

Qadro Media stand

Qadro is the innovative answer from ICF that offers a new monitor-centric perspective. In this scenario with the screen as the focal point of the office, Qadro stands out as a modular base element that can be adapted to suit different, continually evolving activities, such as meetings, international calls, brainstorming, personnel training and moments for reflection.
