Where Trust Meets
Transformation!

Dear Valued Readers,

Sara Fareed

Business Development
Director at trustangle

As we bid farewell to 2024, I am delighted to reflect on a year filled with success and growth at trustangle. It has been a remarkable journey, marked by numerous achievements, valuable partnerships, an expanding customer base, and the addition of talented individuals to our team.

As we continue to navigate the ever-evolving landscape of technology, the role of artificial intelligence in driving digital transformation has never been more critical. At trustangle, we recognize that AI is not just a tool; it's a catalyst for innovation that reshapes how we operate and interact in this digital age.

In this edition, I invite you to explore the exciting advancements we've made over the past year. Our achievements in 2024 are a testament to our commitment to leveraging AI and other technologies to enhance our services and support our clients in their own transformative journeys.

Thank you for being part of the trustangle community. I hope you enjoy this edition as we celebrate our milestones and look ahead to an even more promising future.

Warm regards,

Success Stories & Testimonials

Successful Implementation of Shiji Enterprise Platform at Time Ruba Hotels & Suites Makkah

We are excited to announce the successful implementation of the Shiji Enterprise Platform (PMS) at Time Ruba Hotels & Suites in Makkah! This property is the largest in the Time Hotels portfolio and holds immense cultural significance due to its prime location near the Haram.

The project came with its challenges, as TIME Hotels required the property to open by a specific date, and restrictions on access to the area added complexity. However, the Shiji team provided remote training for the staff of our local partner, trustangle, who executed the installation smoothly and efficiently.

The implementation included Shiji Payments, Shiji Analytics, Infrasy Cloud POS, and Shiji Mobile Housekeeping, showcasing the power of partnership and innovation in overcoming obstacles and delivering exceptional results. We are proud to have played a part in this significant achievement!

trustangle's Excellence Team Enhances Hospitality Solutions

We are excited to announce that trustangle's Excellence Team has successfully opened new doors in the hospitality sector!

We introduced Shiji Group Systems, including Shiji Enterprise and Infrasy POS, which are now fully compatible with the Zakat, Tax, and Customs Authority. This integration allows for swift implementation in International time chain hotels.

In addition to Shiji Enterprise and Infrasy POS, we also offered Jigsaw Check-In and Reachware Pay as new solutions. These integrations enable swift implementation in international time-chain hotels.

Our team worked tirelessly, even during holidays, to ensure high efficiency and excellence were achieved on time. A special thank you to everyone involved in making this success possible!

trustangle Team Launches Shiji Enterprise Platform at OAK Group

We are proud to announce that the trustangle Team has successfully launched the Shiji Enterprise Platform Solution at OAK Group!

This cutting-edge system features seamless integration with Shiji Infrasy POS, as well as compatibility with the Zakat, Tax, and Customs Authority (ZATCA) and the National Tourism Monitoring Platform (NTMP) solutions.

A huge round of applause goes to our dedicated team and the brilliant minds at Shiji Group for selecting us as their preferred solution implementers. We also extend our heartfelt gratitude to our valued customer, Oak Village Neom, for believing in us and providing this extraordinary opportunity to shape the future together.
