

Celebrate Eid al-Adha with Exclusive Offers from trustangle

Greetings from trustangle!

As we celebrate Eid, we recognize the unique challenges salons, spas, wellness clinics, and aesthetic centers professionals face.

Are You Struggling with These Pain Points?

Appointment Scheduling: Are no-shows and double bookings affecting your revenue?

Staff Management: Is performance tracking and scheduling overwhelming?

Customer Retention: Are you finding it hard to keep clients coming back?

Marketing Overload: Does managing promotions feel like a full-time job?

To help you overcome these hurdles, we're excited to introduce DINGG, a smart management software tailored for salons, spas, wellness clinics, and aesthetic centers. DINGG streamlines operations and enhances customer experiences, transforming the way you do business.
