H2-2025 Reflections

December 2025

PREPARED BY

trustangle Marketing Team

# A Message of Gratitude

Reflecting on H2-2025

“

As we close the second half of 2025, we do so with a deep sense of pride and gratitude. The past months have been marked by meaningful achievements, strong collaboration, and exciting milestones that reflect the passion and dedication of the entire trustangle community.

None of this would have been possible without our incredible employees, the trust of our customers, and the continued support of our partners

**Thank you for being an essential part of our journey.**

”

## H2-2025 Highlights at a Glance

**6+**

certifications and  
industry awards

**46**

# Success Stories H2025-2 Highlights

## Trafalgar Luxury Group: Powering F&B Excellence at Scale

H2025-2 marked a significant milestone in our journey with Trafalgar Luxury Group, the force behind iconic F&B brands such as Barn's, Zaatar w Zeit, and LAB. Through the successful implementation of Revel POS and Reachware Integration, our teams worked together to unlock a new level of operational excellence:

-  Automated workflows with higher data accuracy
-  Faster, smarter, and more connected customer experiences
-  Seamless system -to-system connectivity
-  Real-time visibility across all branches

This collaboration is a testament to how digital transformation goes beyond technology—it enables growth, efficiency, and innovation across every touchpoint.

## Customers' Testimonial

Shawarmer | Oracle NetSuite

“

“Our experience with trustangle in implementing Oracle NetSuite for our food business was extremely positive. Their team showed deep understanding of the food and restaurant industry, along with strong technical expertise in NetSuite. They designed a scalable solution that supports our daily operations while allowing us to grow confidently. Beyond the system setup, trustangle guided us through best practices and change management, making the transition smooth and effective. NetSuite, implemented by trustangle, has become a solid foundation for our ongoing digital transformation.”
