

Exclusive Offer: Get 3 Months **FREE with Bayzat!**

Exclusive Offer from trustangle & Bayzat!

Hey! If you sign up for Bayzat's all-in-one HR subscription, you'll get 3 extra months FREE on your yearly contract!

Greetings from trustangle & Bayzat!

Managing HR and payroll often takes up more time than it should, but Bayzat is here to change that. Through our partnership with trustangle, we provide businesses like yours with innovative solutions to streamline operations and boost employee satisfaction.

Here's how Bayzat has made an impact in 2024:

11 Million

attendance check-ins processed to keep teams accountable and operations seamless.

462K

leave requests managed, saving hours of admin work for HR teams.

5.8 Billion
SAR

in salaries processed, ensuring accuracy and compliance for businesses of all sizes.

Features Designed for Your Needs:

Attendance Management: Say goodbye to manual tracking. Monitor attendance across teams, locations, and remote setups with a streamlined system.

Time Off Management: Avoid scheduling conflicts and ensure compliance with a leave management system that automates requests and approvals.

Payroll Processing: Process salaries effortlessly with automated payroll tools that reduce errors, ensure compliance, and save time.

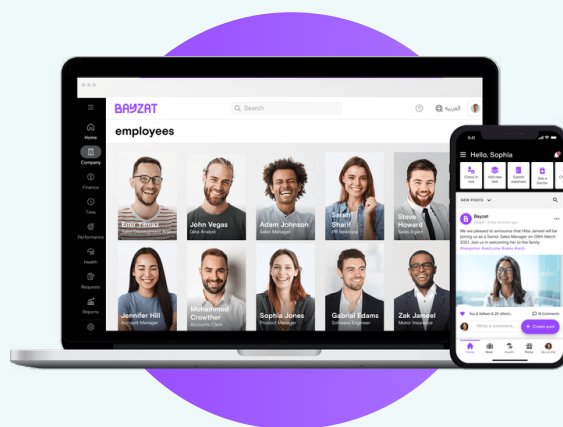

Employee Records Tracking: Centralize all your employee documents in one place with automated reminders for renewals to stay ahead of compliance requirements.

Health Benefits: Tailored benefits that improve employee satisfaction, from health insurance to wellness perks, ensuring happier, more engaged teams.
