DO YOU THINK YOU ARE A CS-GO PRO?

How can you win money by playing your favorite online game?

tryhard.gg is an E-sports rewards platform that gives an opportunity to the gamers to be rewarded by participating in leagues of their favorite online games.

Follow these simple steps to participate in a league:

1. Visit www.tryhard.gg
2. Download the android app
3. After installing the app, use your Steam account credentials to login.
4. Currently, rewards are disbursed to gamers' Paytm wallets, so once you are logged in make sure to provide your registered Paytm number and email address in the profile section for payout.
5. Join league(s) as per your skills
6. Once the league(s) starts, play CS-GO in competitive mode
7. After completing a match, visit our website and paste the match share ID to generate a QR code.
8. Scan the generated QR code on the app.
9. Win money*

* Ranking will be generated within 4-10 hours after completion of a league. The winning amount transfer to the gamers' Paytm wallets could take upto 1-2 working days.
