## Camp Information

This camp offers students the opportunity to develop their skills and learn the fundamental techniques for being a part of the Butler High Varsity Football Program. Instruction will be provided by the Butler varsity players and coaching staff. Athletes will be divided into groups to allow more small group and individual instruction time. Campers will be directed through a circuit of stations that will enhance their abilities for special teams, offense, and defense. Varsity athletes will demonstrate the proper way to execute each station and drill. The Butler varsity football staff is dedicated to improving the football program by investing in the lives of the current athletes in this community and the future athletes as well.

## Facilities

All practices and instruction will take place on the football field at Butler High Football Stadium or Art Bernardi Stadium. In the event of lightning, the camp will become an indoor clinic for campers.

## Eligibility

Butler Area School District students in grades **kindergarten through seventh** in the 2023-2024 school year are welcome to attend.
