Umbria in Depth from Civitavecchia (Rome)

This fascinating 3-night Land Program sets off from Rome toward the Umbrian countryside of Orvieto. Along the way a stop will be made in the village of Civita di Bagnoregio for an up-close view of the medieval houses and churches.

Your full day in Orvieto begins with a guided tour of the fascinating architecture of St. Patrick's Well and of the town's Romanesque-Gothic style cathedral. Then, a delightful lunch of traditional Umbrian dishes at a local restaurant follows, after which you will explore more of Orvieto, including its underground city. This labyrinth of about 1,200 grottoes was hand-carved out of the rock.

As the adage goes, all roads lead back to Rome, but before you reach the Eternal City, you will spend time in the charming town of Todi. After strolling the palaces and churches that crown the main square, you are invited to enjoy a lunch at Todini Winery, which sprawls across a hilltop in the heart of Umbria.

After breakfast on the final day of this program, guests who have selected Umbria in Depth as a pre-cruise option will be transferred to the port of Civitavecchia to embark on their voyage. Those who are concluding their vacation in Rome will be transferred to the airport per their flight details.
