Level 1 - Suitable for everyone: Excursions at this level are undemanding, and you are often transported in vehicles. **Level 2 - Suitable for most people:** Moderate physical activity that suits most people. Involves easy terrain without major challenges. **Level 3 - Average physical condition:** Uneven and steep terrain may occur, and it may be necessary to bring equipment and similar items that you have to carry yourself. This excursion is not suitable for people with limited mobility. When driving vehicles such as snowmobiles, sleds and ATVs, you must have normal vision and hearing. A certain level of mobility and ability to react are also required.
