# FIDO'S FRE-ITCH RINSE CONCENTRATE

For cats, dogs, kittens and puppies

Fido's Fre-Itch Rinse Concentrate is a pleasant smelling water based Flea and Tick Rinse (including the Paralysis Tick) with the added benefits of cleaning and conditioning the coat. The active ingredient is PYRETHRIN, sourced naturally from the Chrysanthemum Daisy. Fido's Fre-Itch Rinse Concentrate can be used on cats, dogs, kittens and puppies of any age. It is also registered for use on cage birds for control of lice.

# FIDO'S FRE-ITCH RINSE CONCENTRATE

For cats, dogs, kittens and puppies

Fido's Fre-Itch Rinse Concentrate is a pleasant smelling water based Flea and Tick Rinse (including the Paralysis Tick) with the added benefits of cleaning and conditioning the coat. The active ingredient is PYRETHRIN, sourced naturally from the Chrysanthemum Daisy. Fido's Fre-Itch Rinse Concentrate can be used on cats, dogs, kittens and puppies of any age. It is also registered for use on cage birds for control of lice.

# DEBRISOL

ENZYME WOUND PUMP SPRAY

Use to clean pus, dead & decaying tissue and promotes rapid healing of wounds, ulcers & abscesses with minimal scarring.

The enzyme trypsin liquifies and removes non living tissue, it does not affect living tissue. Balsam peru provides a cover to the wound aids in preventing recontamination and the Castor Oil has a soothing effect.

## The New Look of Targeted Nutrition

Our KER research proven products have a bold new look.

**Equi-Jewel®**  
Buffered High Fat Cool Energy Conditioner

20kg Bag

Now Contains  
**KER BMC™**  
Buffered Mineral Complex  
For Added Gastric Health

Low in starch—ideal for horses intolerant to grain, those prone to tying-up, and those with behavioural issues.

The low feeding rate and high digestibility provides for an economical calorie supplement.

For topline conditioning and muscle building.

Supports gastric health with KER BMC™ and omega 6 fatty acids, research proven to buffer stomach acid to bolster gastric health and reduce the incidence of ulcers.

### Zinc

iO Hobby Farm Lick Block

### GASTROAID

The premium gut health supplement to promote optimal health and function of the total digestive tract.

### ZANOBOLIC CONCENTRATE

Aids in the development of lean muscle, topline and improves coat condition.

### SWELLDOWN

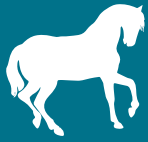

Clay poultice that draws out heat and reduces swelling.

### BETACALM

Actively reduces stress, nervousness and hyper-reactivity in horses.

EQUINE

Animal  
**IQ**

## WHY CHOOSE EQUILIBRIUM SUPPLEMENTS?

### SCIENTIFICALLY

formulated for equine needs **NOT** particular pastures or geographic areas.

### COMPLETE

no need to feed additional vitamins, minerals or salts.

Can **BALANCE** the diet where nutritional deficiencies and imbalances exist.

Recommended for **ALL** breeds, ages, sizes and workloads.

### SUITABLE

for horses with Laminitis, Cushing's, EMS, PSSM & IR.

Promotes **OPTIMUM** health in youngsters, veterans and everyone inbetween.

**SAVE** money aids in feed utilisation.

Recommended for **ALL** soil and pasture types.

**ESSENTIAL** nutrients to support hooves, coat, body condition, recovery from work and optimal health.

Can be fed as a **LOOSE LICK** to horses not receiving a hard feed.

**EXCEPTIONAL VALUE** one 22kg bag can last an average horse for nearly 12 months.

Save **TIME**; balanced and complete in a simple daily allowance.

Available in 5 kg pail, 12kg and 22kg bag.

- Ranvet White Healer

EQUINE

Animal  
**IQ**

Vitamin D is synthesised in skin cells from exposure to sunlight and available in sun cured forage. Vitamin D is stored in the body, as such daily exposure is not required. Ample exposure on sunny days in summer means supplementation is not required over winter.

# EQUINE SUPPLEMENTS

## VISION

- Vitamin A
