

**Assignment:** Look around you: what smart and sustainable features you see in Turku. Take photos and make a collage of these photos. Upload them to Instagram with hashtag **#turkusummerschool**. At least one collage per group! Alternatively, it is also possible to send photos to Piia Nurmi by email (piia.nurmi@turkuamk.fi).

**How to make a collage with Instagram:**

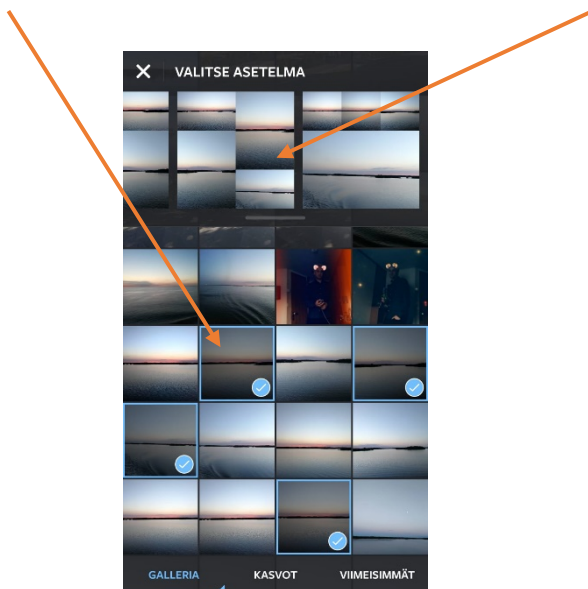

1. Download “Layout from Instagram” from App Store or Google Play store. The app is from the creators of Instagram so it is safe to install.

2. In Instagram, you can access the app by clicking here:

3. Tap to select your photos and then choose your layout.

4. Your collage is ready! You can edit it or share it in Instagram.
