

Future Skills & Learning onboard

when: Wednesday 6.3.2019, 9:30 - 15:30

where: N 60,4491° E 22,2959°

*Turku University of Applied Sciences, ICT-city,
auditorium Alpha, Joukahaisenkatu 3, Turku*

Ahoy sailor!

What are the skills and know-how seafarer or ship nurse needs in the future? Have you experienced simulation training? Or eLearning? How do you learn the best? Forget the classroom! Let's talk about emergency management, medical treatment and occupational safety onboard.

Be there or be lubber!

For lubbers, livestream will be available.
