

KENKO POWERMINI®

PRODUCT CODE: 1462

TINY BUT POWERFUL MAGNETICS

Twelve reusable Kenko PowerMini® magnets nestle in a round carrying case. There is also a pack of 24 adhesive discs. Each small but powerful magnet holds advanced, patented DynaFlux® Magnetic Technology. Individual magnets are placed in polar opposition to intensify the magnetic field for greater depth and 100% surface coverage. Only DynaFlux can accomplish this feat of engineering and ingenuity.

- Patented DynaFlux® Technology (U.S. Patent No. 9,265,966)
- Non-irritating smooth finish
- Water-resistant
- Non-corrosive polymer shell

CONTENTS

12 reusable Kenko PowerMini magnets, 24 replaceable adhesive discs

GAUSS RATING

750 gauss

MATERIALS

Strontium ferrite magnet, medical-grade adhesive-surfaced fabric disk

CARE INSTRUCTIONS

Clean the magnet with a damp cloth moistened with a mild detergent or hand wash in warm water with a mild detergent. Gently wipe dry.

WARNING

NOT AN ADHESIVE BANDAGE. Do not use on lacerations, abrasions, injured or damaged skin. If you use an electronic medical device such as a pacemaker, or have a magnetically sensitive surgical implant, do not wear this product. Women in the first trimester of pregnancy, or anyone who has a health problem should first consult a physician before wearing this product. If skin irritation results from wearing this product, discontinue use.

CHOKING HAZARD. Small parts. Not for children under 3.

WARRANTY

90-day limited warranty
