

MAGNET REPLACEMENT PACK

PRODUCT CODE: 20203

Nikken Insoles are made to last for a long time, and with the magnet replacement pack, they might last forever. If the DynaFlux® magnets fall out or break from daily wear, this pack of 10 helps you wear your Kenko mSteps® or Kenko mStrides® even longer. The plastic ring holds the DynaFlux magnets together. Each replacement magnet is easy to snap in.

- Easy snap in
- Prolongs Insole lifespan

GAUSS RATING
800-1000 gauss

HOW TO USE

Press the replacement magnet into the hole. Press in the magnet from the bottom of the insole so that the rounded part is exposed on the topside of the insole. (flat side down) The magnet should snap in easily.

CARE INSTRUCTIONS

Surface clean the entire insole with a damp cloth moistened with a mild detergent or hand wash in warm water with a mild detergent.

WARNING

If you use an electronic medical device such as a pacemaker, or have a magnetically sensitive surgical implant, do not use or wear magnetic products. Women in the first trimester of pregnancy, or anyone who has a health problem should first consult a physician before using magnetic products. Do not place magnetic products in direct contact with magnetically sensitive items such as watches, audio/video tapes, credit cards, portable electronic equipment, etc.
