

Model: KEG

Protection Class: I/C EH SR

Article: 0UL10194

ASTM Standards: ASTM F2413-24

Description:

RedLion High Safety Shoes, with Alluminium Toecap designed to guarantee a prolonged well-being of the foot. Lightweight, comfortable, with upper in natural nubuck leather, closure with laces and padded nylon bellows to ensure long lasting comfort. These work shoes are able to guarantee comfort and lightness thanks to the sole with the innovative Infinergy® system and to the expanded PU midsole. The multi-functional heel and the compact PU tread provide grip, security and stability of posture.
