KEYNOTE SPEAKER

STEVE WOZNIAK '86

A Silicon Valley icon and philanthropist for more than 40 years, Wozniak helped shape and innovate the computing industry with his design of Apple's first line of products, the Apple I and II. He also influenced the popular Macintosh. In 1976, Wozniak and Steve Jobs founded Apple Computer Inc. with Wozniak's Apple I personal computer. The following year, he introduced his Apple II personal computer, featuring a central processing unit, a keyboard, color graphics, and a floppy disk drive. The Apple II was integral in launching the personal computer industry.

Through the years, Wozniak has been involved in various business and philanthropic ventures, focusing primarily on computer capabilities in schools and stressing hands-on learning and encouraging creativity for students. Making significant investments of both his time and resources in education, he adopted the Los Gatos School District, providing students and teachers with hands-on teaching and donations of state-of-the-art technology equipment. He founded the Electronic Frontier Foundation, and was the founding sponsor of the Tech Museum, Silicon Valley Ballet, and Children's Discovery Museum of San Jose. Wozniak has been honored with the National Medal of Technology, inducted into the Inventors Hall of Fame, and received the Hoover Medal, given for "outstanding extra-career services by engineers to humanity."

Wozniak is a proud Berkeley graduate and was the recipient of the EECS Distinguished Engineering Alumni Award in 1998. He was delighted to be named the Cal Alumni Association's Alumnus of the Year in 2015.

HAIL TO CALIFORNIA

Hail to California,
Alma Mater dear;
Sing the joyful chorus,
Sound it far and near.
Rallying round her banner,
We will never fail;
California, Alma Mater,
Hail! Hail! Hail!

Hail to California,
Queen in whom we're blest;
Spreading light and goodness
Over all the West.
Fighting 'neath her standard,
We shall sure prevail;
California, Alma Mater,
Hail! Hail! Hail!

The Cal alma mater was written by Clinton R. "Brick" Morse, Class of 1896.

GOLDEN GIFT

UC Berkeley students raised over \$81,583 for the university from July 1, 2022 to April 26, 2023.

Donations go to dozens of different campus areas, from departments to student organizations to programs. Thank you to all the students for Keeping Cal Golden!

REGALIA

Here's a quick primer for decoding all of the academic regalia you'll see today.

THE CAP · Doctoral candidates wear velvet tams while bachelor's and master's candidates wear black mortar boards. All wear a single tassel.

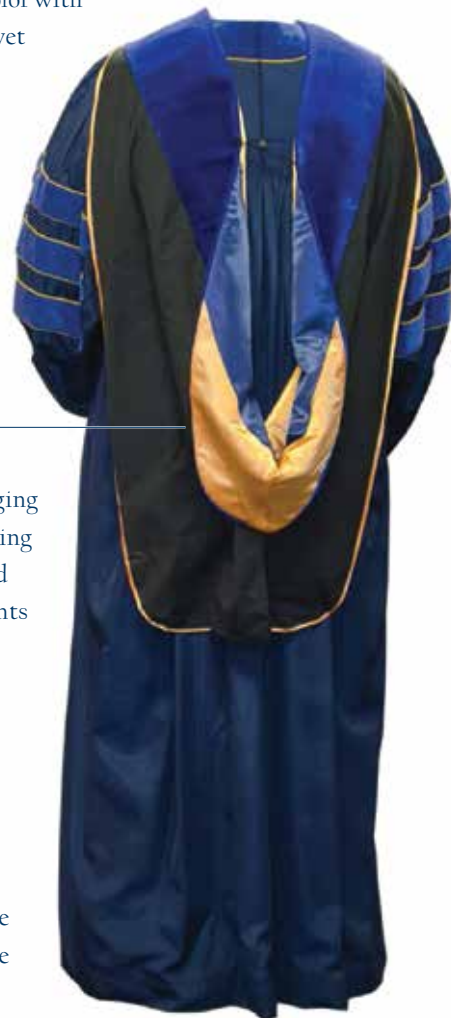

THE MACE · The executive vice chancellor and provost leads the faculty procession and carries the ceremonial Berkeley mace, a tall staff that symbolizes UC Berkeley's authority to confer degrees. It is topped by a bear's head carved out of wood salvaged during a renovation of South Hall, the oldest building on Berkeley's campus, built in 1873. The provost also places the mace on the podium during the ceremony.

THE GOWN · Bachelor's candidates wear a traditional black gown with long, pointed sleeves. Master's candidates wear a long black gown with oblong sleeves that are arched at the wrist and square cut at the bottom. Doctoral candidates wear a long, velvet-trimmed gown in black or another color with bell-shaped sleeves that have three velvet panels or chevrons on each arm.

CHANCELLOR'S MEDAL · Chancellor Carol T. Christ wears the Chancellor's Medal, which is imprinted with the university seal.

THE HOOD · Master's and doctoral candidates wear velvet-lined hoods hanging from the back. The color of the hood's lining represents the institution that conferred the degree, while the velvet trim represents the field of study.

UC BERKELEY COLORS · UC Berkeley regalia is designed in the official University of California colors established by students in 1873. Berkeley Blue ■ symbolizes the ocean and local wildflowers. It is based on Yale Blue, since Yale University graduates were among the university's founders and early leaders. California Gold ■ was selected to represent the mining heritage of the "Golden State" of California and our state flower, the golden poppy.
