Community Service

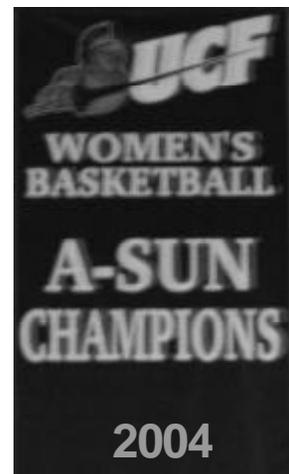

Involvement in the Orlando community is an important part of being a Golden Knight. The UCF women's basketball team participates in a number of activities throughout the off-season and during the preseason. Such events include visits to area elementary schools, hospitals, nursing homes, the Salvation Army and the Boys and Girls Clubs throughout Orlando.

Other parts of the Golden Knights community service include the "Take a Kid to the Game" program, which had over 110 Division I women's basketball programs participate in 2003. That promotion is in conjunction with the celebration of National Girls and Women in Sports Day (NGWSD).
