BIG 12 CONFERENCE

The Big 12 Conference is comprised of 14 institutions after welcoming BYU, UCF, Cincinnati and Houston on July 1, 2023, joining Baylor, Iowa State, Kansas, Kansas State, Oklahoma, Oklahoma State, TCU, Texas, Texas Tech and West Virginia.

The league is an NCAA Division I intercollegiate athletics conference that encompasses eight states, three time zones and a combined population of over 79.3 million. Entering its 28th year, the Conference has produced over 800 Academic All-America selections and claimed national championship team titles in 20 of its 23 sponsored sports.

Its student-athletes and teams have combined for 742 individual NCAA titles and 81 team national championships under the Big 12 banner.

The Big 12 enters its 28th year as one of the nation's premier athletic conferences under the direction of Commissioner Brett Yormark. In his brief time at the helm, Yormark has elevated the Conference to new heights, placing an emphasis on marketing, brand building and storytelling that has resonated across the college athletics landscape.

In the first year of his tenure, Yormark executed a media rights deal with ESPN and Fox that will run through 2030-31 while leading a revamp of the Big 12 Football and Basketball Championships that resulted in revenue and digital engagement highs. He has taken an innovative approach to ensure the Conference resides in places it has never been before including creating the first Big 12 Business Advisory Board. Other highlights are executing a partnership with the National Football League to operate a conference-wide Pro Day, teaming up with New York City Parks Department for a summer activation at historic Rucker Park, and bringing celebrity talent such

as Fat Joe, Ashanti, Shaq and DJ Khaled into the Big 12 marketing fold. "Big 12 Homecoming" will debut during the 2023 football season at the four new members' campuses with additional conference members featured in future seasons.

The 2022-23 academic year saw the Conference reach new frontiers with TCU becoming the first league school to reach the College Football Playoff National Championship game. Texas captured the NCAA Women's Volleyball title as well as the Women's Outdoor Track & Field national championship. Oklahoma earned its second straight NCAA Women's Gymnastics trophy and was crowned Women's College World Series champions for the third consecutive season. NCAA Championship runner-up finishes were notched by Oklahoma State Men's Cross Country, Texas Women's Swimming & Diving and UT Women's Indoor Track & Field. NCAA individual titles were collected by 23 student-athletes. The Big 12 tied its own record as the only league to place 70 percent of men's basketball teams in the NCAA Championship and 80 percent of football squads in bowl games in the same academic year, also accomplishing the feat in 2017-18.

RENU KHATOR

Chancellor, University of Houston System
President, University of Houston

Renu Khator holds the dual titles of chancellor of the University of Houston System and president of the University of Houston. The UH System's first woman chancellor and the first Indian immigrant to head a comprehensive research university in the United States, she assumed her post in January 2008.

As chancellor of the UH System, Khator oversees a four-university organization that serves nearly 74,000 students, has an annual budget that exceeds \$1.8 billion, and produces a \$6 billion-plus economic impact on the Greater Houston area each year.

As president of the University of Houston, she is the chief executive officer of the largest and oldest of the four UH System universities. As the system's flagship institution, UH enrolls approximately 46,000 students, offers 280 undergraduate and graduate programs and awards more than 10,500 degrees each year.

During her tenure, UH has experienced record-breaking research funding, enrollment and private support. As part of an ongoing \$1-billion campus construction program, UH launched its 75-acre UH Technology Bridge, which is now home to several start-up companies, research enterprises and academic programs. UH also opened its 40,000-seat TDECU Stadium, home of the Cougar football team, and increased student residence hall capacity to 8,000. In addition, UH has completed an \$80 million expansion and renovation of its Student Center.

In 2015, UH was awarded a Phi Beta Kappa chapter, only 10% of U.S. institutions are members of the prestigious national honor society. In 2011, UH earned Tier One status, with the Carnegie Foundation elevating it to the top category of research universities. Princeton Review has recognized UH for excellence in undergraduate education and named it a "Best Value" university, and the Chronicle for Higher Education has cited UH as an exceptional workplace. UH consistently places among the foremost universities included in the Top American Research Universities (TARU) rankings.

Khator was born in Uttar Pradesh, India, earning a bachelor's degree at the University of Kanpur. She received her master's degree in political science and Ph.D. in political science and public administration from Purdue University. A noted scholar in the field of global environmental policy, she has published numerous books and articles on the subject. Prior to her appointment, she was provost and senior vice president at the University of South Florida, capping a 22-year career at that institution.

She was a member of the Indian Prime Minister's Empowered Expert Committee, charged with selecting India's 20 world-class "Institutes of Eminence," the U.S. Department of Homeland Security's Academic Advisory Council and chair of the American Council on Education (ACE) and the Federal Reserve Bank of Dallas. She is a current member of the Association of Governing Boards of Colleges and Universities Council of Presidents, the Council on Foreign Relations, the Texas Medical Center CEO Forum and on the Board of Directors for the Greater Houston Partnership.

She was elected to the American Academy of Arts and Sciences in 2020. She has been inducted into the Texas Women's Hall of Fame, and has received the Council of Fellows/Fidelity Investments Mentor Award from the American Council on Education (ACE), the Excellence in Leadership Award from the U.S. Hispanic Chamber of Commerce, the President of the Year Award from ACIU, the Association of College Unions International, and the President's Award from NASPA, the national association of student affairs administrators. She is featured in the American Council on Education's video "The Joys of the Presidency."

Khator received the Pravasi Bharatiya Samman Award from the president of India, the highest recognition conferred on overseas Indians based on their "significant contributions" to their homeland.

Purdue University awarded her with the Doctor of Social Sciences degree, honoris causa, and Swansea University with the Doctor of Letters, honoris causa.

Khator's husband, Dr. Suresh Khator, is associate dean of the UH Cullen College of Engineering. They have two daughters, both of whom are ophthalmologists, and three grandchildren.

CHRIS PEZMAN

Vice President for Intercollegiate Athletics

Chris Pezman, a former Houston Football letterman and former captain returned to his alma mater on Dec. 11, 2017, as the program's 11th athletics director.

His tenure as Vice President for Intercollegiate Athletics has seen continued success in the classroom, in competition and in the community. Since his arrival, the Cougars have captured 26 American Athletic Conference titles across nine different sports including staking claim to 4+ titles in each of Pezman's first five academic calendar years on campus.

Backed by Pezman's leadership, in July 2023, Houston began its long-anticipated journey in the Big 12 Conference. On the field, the move comes at a time where the Cougars have reached new heights spotlighted by five consecutive NCAA Men's Basketball Sweet 16 appearances; Football's back-to-back bowl victories and 20 combined wins over two seasons; seven straight American titles in Swimming & Diving; Volleyball's 30-win campaign and magical run to the Sweet 16 and Track and Field's continued dominance on the conference and national stage.

Athletic facilities have also continued to flourish. The Cougars are currently in the midst of a \$150 million "Houston Rise" capital campaign, focused on raising \$150 million centered to help address essential capital priorities, including the construction of a state-of-the-art facility to house Cougar Football.

Houston opened the Fertitta Center on Dec. 1, 2018, which serves as one of the nation's top basketball facilities in college athletics. Since its opening, Cougar fans have packed the facility to the tune of 59 sellouts including 21 straight through the conclusion of the 2022-23 season. During 2022-23, the Cougars produced 18 home sellouts and operated at 106% capacity.

Other major upgrades or projects have included the Baseball Player Development Center, Volleyball Training Courts and Locker Room, Cougar Softball Stadium Reconstruction, Indoor Banked Track inside Yeoman Fieldhouse and the Dominic and Ellen Ng Academic Center for Excellence.

Academically, 500+ student-athletes have been named to the Dean's List (3.0 GPA or higher) since the start of the 2018-19 school year and 850+ have been recognized on the American Athletic Conference All-Academic Team. Since December 2017, nearly 400 Cougar student-athletes have earned their degrees.

During 2021-22 alone, seven sport programs registered 3.0 GPAs during the fall and another 11 reached the milestone during the spring. Despite COVID limitations, Houston student-athletes rose to the challenge during spring 2020 as all 17 sport programs earned at least a 3.0 GPA, marking a first in Department history.

The 1992 Houston Football team captain arrived in Houston after spending just under four years as Senior Associate Athletics Director for Facilities, Operations & Event Management, and Capital Projects/Chief Operating Officer at the University of California – Berkeley.

At Cal, Pezman quickly reorganized his departments to gain operational and financial efficiencies and implemented a comprehensive work order system to appropriately maintain \$1 billion in physical assets under his purview.

Pezman also oversaw Capital Projects for the Intercollegiate Athletics Department which included the \$10 Million Haas Pavilion scoreboard and audio improvements project, \$5 Million Underhill field hockey facility, La Loma field hockey practice facility, Maxwell Field/Stadium parking garage and several substantial pending projects.

Prior to joining Cal, Pezman served as Assistant Athletics Director for Football Operations at Houston for the 2012 and 2013 seasons, with his primary responsibilities including the organization and management of all business aspects for the football program.

Well known throughout the city of Houston from his decade tenure with NRG Park, Pezman lettered three seasons for the Cougars (90-92) and served as the team's captain during the 1992 campaign.

The Laguna Beach, Calif., native remained involved with his alma mater following his graduation and earned his masters degree from UH in 1995. He first served as a graduate assistant coach (1993-94) while earning his postgraduate degree and then served as an assistant to the director of athletics for two years. Pezman was elevated to Assistant Athletics Director for Operations, where he was involved with facility scheduling, facility oversight and summer camps before taking on his role with NRG Park and SMG Management.

The two-time Southwest Conference Commissioner's Academic Honor Roll member earned his undergraduate degree in economics and completed course work for his masters in hotel and restaurant management.

Pezman is married to the former Marisol Guillamondegui and the couple has three children: Seth, Sydney and Sarah.

HEAD COACH JAIME FRIAS

Jaime Frias (HIGH-me FREE-us) was named Houston Soccer's head coach on Feb. 16, 2022. The 2023 season will be his second with the Cougars.

In Frias' first season as head coach at Houston, the Cougars finished 6-7-3 including a 4-2-1 record at home. Two student-athletes received All-American Athletic Conference honors, including Emma Clarke with a Second-Team selection while Alex Whitcraft made the All-Freshman Team.

Before coming to Houston, Frias spent 10 seasons at Virginia serving as an assistant coach from 2013-2016 and 2019-2022, and as the director of operations from 2010-2013.

Frias helped the Cavaliers to seven NCAA Tournaments, including three College Cup appearances highlighted by a runner-up finish in the 2014 season (23-3-0) as well as reaching the semifinals in the 2013 (24-1-1) and 2020 (14-4-3) seasons.

He also helped Virginia secure its second Atlantic Coast Conference Championship title in 2012 (18-5-1) and assisted the Cavaliers to three ACC Regular Season Championships in the 2013 (24-1-1), 2015 (19-1-3) and 2021 (18-3-2) seasons. Additionally, over 20 players have gone on to play professionally either in the United States or abroad during this time.

In addition to his time with Virginia, Frias has coached at various levels of U.S. Soccer. He served as head coach of the U18 Women's National Team and assistant coach with the U20 Women's National Team in two separate stints (2014, 2017-2019).

He was the head coach of the U16 Youth National team (2016-2017) prior to assuming his duties with the U18 and U20 teams. In addition to his national team head coach experience, Frias participated in three FIFA U-20 Women's World Cups (2012, 2014, 2018) where he helped the U.S. secure the 2012 FIFA World Cup title as a World Cup scout/performance analyst.

Prior to Virginia, Frias served as head coach at Nevada for the 2008 and 2009 seasons, leading the program to 2009 WAC Tournament final and the most conference wins in school history.

He also spent three seasons as head coach at Stephen F. Austin (2005-2007) including being named the 2005 Southland Conference Coach of the Year. In six total seasons with the Lumberjacks (2002-2007), including three as an assistant, the program won four Southland Conference titles and advanced to two NCAA Tournaments.

Frias earned his Bachelor of Science in health and physical education from the Centenary College of Louisiana where he played soccer four seasons and was a two-time team captain. Centenary was also the first stop on his coaching career, serving as an assistant coach from 2000-02.

He and his wife, Ta, have two children, Azari, and Jaime Dhani.

ASSISTANT COACH FLEUR BENATAR

Fleur Benatar was named Houston Soccer’s assistant coach on June 4, 2022. The 2023 season will be her second at Houston.

Benatar comes to Houston after serving as the head coach for Coppell High School girls soccer, leading the squad to a 15-5-2 record and a third-place finish in Region 3 6-6A during the 2021-22 season. The team advanced to the first-round playoff game.

While at Coppell, Benatar was an assistant coach for the NPSL Denton Diablos, who won the 2021 National Championship.

In 2015, Benatar joined North Texas as an associate head coach. In her first season, the Mean Green won a program-best 19 games and shut out a program-record 15 opponents. They won the C-USA regular-season and tournament championships to earn an automatic bid into the NCAA Tournament. During her time with North Texas, she helped guide the Mean Green to four consecutive C-USA titles and three regular-season titles.

In 2001, Benatar was named as the first women’s soccer head coach for Texas Woman’s University. She led 47 women to All-Conference honors and six to All-Region Honors.

Prior to her tenure with the Pioneers, Benatar began her collegiate coaching journey as an assistant coach for North Texas in 2000, when the program captured its first conference title as it won the Sun Belt Conference regular-season crown.

Benatar has more than 25 years of experience coaching club soccer, working with Liberty FC, Sting Soccer Club, Solar Soccer Club and Liverpool FC America. She previously served as a coach for Region III of the Olympic Development Program, where she evaluated, coached and mentored top soccer players in the region.

Benatar has coaching experience across Texas at the club level, with the Olympic Development Program (ODP) and with U.S. Soccer. She also served as youth national team training coach at U.S. Soccer’s Training Center in Dallas.

She is currently a U.S. Soccer National Talent ID Scout, holds a U.S.S.F. National “A” coaching license and is a state-level course instructor. Benatar has also attended U.S. Soccer National Team camps and is also a U.S. Soccer “C” course instructor.

A graduate of Richardson High School, Benatar played college soccer for two seasons at Arkansas before transferring to North Texas in 1996. She received her undergraduate degree in kinesiology from North Texas in 1999 and her master’s degree in exercise science in May 2002.

Benatar and her husband, Will, have a daughter, Gabrielle and two sons, Fletcher and Phillip.

ASSISTANT COACH JAELYN CUNNINGHAM

Jaelyn Cunningham was named Houston Soccer's assistant coach on January 9, 2023. The 2023 season will be her first at Houston.

Cunningham joins the Cougars after spending two seasons as an assistant coach at Toledo. During her first season, Cunningham helped Toledo to a 10-6-4 overall record, its best since 2017. The Rockets finished sixth in the MAC with a 5-4-2 mark and reached the MAC Tournament for the first time since winning the championship in 2017.

She worked primarily with goalkeepers, including Emma Boutorwick, who recorded nine solo shutouts and one combined shutout with Adrianna Brewer, good for the second most shutouts in a single season by a Toledo team.

Prior to Toledo, Cunningham served as an assistant coach at NCAA Division II Queens (N.C.) University. During her time with the Royals, sophomore Erica Turner earned first-team all-conference honors after posting a 5-1-1 record and a .903 save percentage. Turner also was named the conference's Defensive Player of the Week on three occasions.

Cunningham also worked with goalkeepers at the Charlotte Soccer Academy and the No. 1-ranked Providence Day High School's girls' soccer team during her time in Charlotte, N.C.

The Reynoldsburg, Ohio, native played collegiately at Illinois (2016-19) where she earned second-team All-Big 10 honors as a junior. During that season, she posted an 11-7-1 mark, a 1.02 goals-against average and career-best .772 save percentage en route to posting six shutouts. Cunningham was also named Illinois' Team MVP in 2017 and 2018 and ranks second in Fighting Illini history with 106 saves.

Cunningham spent two years in the Women's Premier Soccer League. She played for two league champions, the Seattle Sounders (2018) and the Chicago Red Stars (2019); and won the WPSL's Golden Glove award in 2019.

A Columbus, Ohio native, Cunningham graduated with her bachelor's degree in marketing from Illinois in 2019.

ASSISTANT COACH ANDREA CASELLA

Andrea Casella joined Houston Soccer's as a volunteer assistant coach on January 20, 2023. Casella was later promoted to assistant coach in July 2023. The 2023 season will be Casella's first with the Cougars.

Casella joined the Cougars after spending one season as an assistant coach for Texas Southern women's soccer and brings a wealth of experience both internationally and locally.

During his time with the Tigers, Casella oversaw performance analysis for the program and conducted research with the coaching staff before applying the results to the team's training both in practice and during matches. He also gathered information and analyzed upcoming opponents and recruits for the program to determine strategy with the coaching staff.

Casella moved to Houston in 2021 and began working with the RISE Soccer Club as the boys ECNL head coach, before becoming the U19 and U15 Girls Academy head coach.

Casella began his coaching career in Europe before moving to the United States where he started coaching at Real Colorado as he worked directly with the club's developmental academy while also serving as the boys ECNL head coach in addition to coordinating events for the U13-14 competitive teams.

A native of Turin, Italy, Casella played for nearly 20 years throughout Europe including mainly in Italy and England. Casella holds a USSF and a UEFA license, a game analysis soccer hub license, a performance analysis level II license, and a sports psychology and individual mental skills license.
