

2024 Phillips 66 Big 12 Championship

UCF POSTGAME QUOTES – Game 16
Globe Life Field: May 24, 2024

No. 2 Oklahoma State 10, No. 8 UCF 1

UCF Head Coach Rich Wallace

Opening statement...

“That [Brian] Holiday pitched again unbelievable against us. They played great defense and every mistake we made on the mound; they made us pay for it. They kicked our butt 10-1. Our guys kind of hung in there. Some of those young freshmen we used on the mound, pitched their butt off to keep it right where it is, and we just couldn’t overcome the eight early runs.”

On what lies ahead for the future in the Big 12...

“I think we proved that we can hold our own in this league and to win 16 games in this league, first year in it, and then win six out of 10 conference series in the league. I think we proved that we can play in this league and compete in this league and play with the top athletes in this league.”
